On the indicated date I along with other station units responded to Temple Sheriff's Station due to an assistance request of a deputy involved shooting in the station parking lot.

Upon arrival I found that a deputy involved shooting had occurred in the front parking lot of the station and the suspect was barricaded in a vehicle. A containment was established and the parking lot was evacuated.

Units from the Sheriff's Special Enforcement Bureau responded shortly thereafter. The Special Enforcement Bureau teams contacted the suspect and he was pronounced deceased.

A crime scene was established and Sheriff's Homicide Bureau was notified. Homicide investigators Detective Aguilera L. #[redacted] and Detective Boisvert M. #[redacted] arrived and took over the investigation.

Subsequent notifications were made to Sheriff's Headquarters Bureau

NARRATIVE

The purpose of this supplemental report is to provide additional facts and information regarding the circumstances and events of the incident.

On the indicated date while working as unit 51/Days, I responded to an assistance request due to a deputy involved shooting. Upon arriving at the location, I saw that unit 52T1 (Deputy Apodaca R. #[redacted]) had parked his patrol vehicle (SD7162) in the westbound lanes of Las Tunas Drive just east of the station. The vehicle was facing south and he was utilizing it as cover. I parked my vehicle next to him in the number two lane of westbound Las Tunas Drive facing west. I deployed my department AR-15 rifle and we took a containment spot just east of the front parking lot utilizing our vehicles as cover. We then learned through the radio traffic and communications with Aero Bureau who was orbiting over the parking lot, that the suspect had barricaded himself inside a Chevy SUV license CA/[redacted]in the parking lot.

Unit 55T1 (Deputy Chico G.[redacted]Detective Cabrera S. ([redacted]and Detective Rivera J. [redacted] arrived shortly thereafter and assisted us in covering the east part of the containment. Sergeant Martinez E. (#[redacted] Detective Bayer M. [redacted]Detective Cabrera, Detective Rivera, along with unit 58 (Deputy Jackson B. ([redacted]formed a team to evacuate the parking lot. The team approached from the east side of the parking lot. Deputy Jackson drove his vehicle (SH6031) westbound along the south curb of Las Tunas Drive and into the front parking lot. The remaining personnel on the team used Deputy Jackson's vehicle as cover. They were able to safely clear the parking lot and rescue the deputies who were seeking cover in the parking lot behind vehicles.

After the parking lot was evacuated Deputy Jackson established a command post at 0735 hours in the parking lot of the "K-Mart" located at 5665 Rosemead Boulevard in Temple City. Unit 58T1 (Deputy Cardenas R. #[redacted] and 50S (Sergeant Martinez E.) also responded to the command post to assist Deputy Jackson.

The Sheriff's Department Special Enforcement Bureau arrived at 0813 hours. They quickly mobilized personnel

their team along with two armored vehicle to form an arrest team for the suspect. They drove the armored vehicles into the parking lot. They deployed one (1) flashbang device. They also fired two (2) 40mm rounds. They found no response and approached the 2005 Chevy Trailblazer the suspect occupied. When they contacted the suspect the team found that he had a gunshot wound to his head which appeared to be from a shotgun. Special Enforcement Bureau paramedic Doucette S. [redacted] and Cheshier, C. [redacted] pronounced the suspect deceased at 0818 hours.

They left their armored vehicles and exited the parking lot on foot so the crime scene could be preserved. Unit 55B3 (Deputy Silva O. [redacted] taped off the scene and initiated a major incident log establishing a crime scene at 0829 hours. Homicide was also notified regarding the incident at 0817 hours. The coroner was subsequently notified generating a coroner case number of: 2017-02242.

Units 86A and 141B1 canvassed the shopping center north of the station and the businesses north of the station from the shopping center west to Muscatel Avenue. They found no victims, witnesses, or evidence.

Temple Detective Bureau located witnesses and sequestered the Deputies involved for questioning by Homicide investigators. They Sequestered five (5) deputies which consisted of the follow:

1. Seargent Long J. #[redacted]
2. Deputy Botten N. #[redacted]
3. Deputy Vance B. #[redacted]
4. Deputy Inthavong S. #[redacted]
5. Deputy Shue H. #[redacted]

Detective Bureau was also able to locate four (4) witnesses who were in the secretariat area of the station during the incident. They additionally located four (4) witnesses who were in the station lobby and four (4) construction workers who were working at the station at the time. The witnesses were sequestered pending Homicide Investigator interviews.

Homicide Investigators Detective Aguilera L. [redacted] arrived at 0930 hours. He along with his partner Detective Boisvert M [redacted] took over the investigation with their homicide team.

NARRATIVE

The purpose of this supplementary report is to provide active additional information regarding the actions taken by members of the Los Angeles County Sheriff's Department, Special Enforcement Bureau (SEB), during an active shooter situation at Temple City Sheriff's Station. While at SEB, the desk Deputy notified Tan Team, Team Leader Sergeant Brown #[redacted] that radio traffic was being broadcasted about an active shooter. Temple City Sheriff's Deputies broadcasted that a male armed with a rifle was shooting at the station. Based on the information received, Sergeant Brown notified the Tan Team members who immediately responded to the track area at SEB. Sergeant Brown, and Deputies Longan [redacted] Pokorny #[redacted] Toone #[redacted] Munoz #[redacted] Leon [redacted] with ESD Paramedics Hernandez #[redacted] Chesier #[redacted] Moss #[redacted] and Doucette [redacted] were transported via Air 5 Rescue helicopter to the scene. Additional SEB personnel responded in armored vehicles and their issued Sheriff's Tahoe's.

As SEB Tan Team members arrived, we were informed by a Temple station Sheriff's Deputy that a suspect armed himself with a rifle while in the Temple City Sheriff's Station parking lot. When Deputies confronted the suspect, a Deputy involved shooting occurred. Deputy personnel had the area contained, while it appeared the Suspect was barricaded in the back seat of a blue Chevy SUV, armed with an unknown type of rifle. Deputies involved in the shooting were unsure if the suspect was hit by their gunfire and informed us that the suspect remained lying in the same back seat position, with a long gun on him for several minutes with no movement.

Not knowing if the suspect was injured from the shooting or waiting to shoot again, Deputies Longan, Pokorny, Toone, Sergeant Brown and ESD Paramedics, Cheshier, Moss and Doucette entered an SEB, armored rescue vehicle (ARV) and approached the suspect's SUV. The team needed to get a closer look at the suspect to determine if he was still a threat or needed medical attention.

DATE: **TIME:**

While SEB Deputies remained inside the armored vehicle, Deputy Leon drove the ARV into the parking stall directly next to the Suspect's vehicle (passenger side). The back passenger doors windows had been shattered and we could clearly see the suspect lying across the back seat, on his back, with one foot resting on the rear passenger door window sill. We could not get a clear view of the Suspect's head because it was under clothing and what appeared to be police issued tactical vest, labeled "SWAT" on one side. Resting on the suspect's torso was a shot gun with the barrel pointed at his chin. The entire time we examined the Suspect from inside the ARV, he was motionless. We believed he was possible injured but could not confirm it from our vantage point.

Deputy Longan instructed Deputy Leon to reposition the ARV so the team could safely exit the rear and make an approach to the suspect's vehicle. Prior to exiting the ARV, I threw a sound diversionary device on the hood of the suspect's vehicle from the turret to see if he would react to the loud noise, he remained still. After deploying the sound diversion device and getting no reaction from the Suspect, the team exited the rear of the ARV and decided to make a slow approach toward the passenger side of the suspect's vehicle. I led the team towards the suspect while holding a ballistic shield. While staged approximately ten feet away from the passenger side of the vehicle, we could see the suspect's foot, mid-section and chest area. Also in his hands was a shot gun, still pointed at his chin. Because we could not see any clear injuries or signs that the suspect was shot or deceased from our location, Deputy Francois deployed a 40mm, non-lethal Arwen under the direction of Sergeant Brown. The suspect was hit twice in his abdomen area with two rubber tip bullets, he made no movements. While still holding the ballistic shield, I led the team closer to the rear passenger side of the Suspect's vehicle, at which time Deputy Pokorny reached around me and recovered the shotgun that was on the suspect. Deputy Pokorny handed the shotgun to Deputy Francois who placed the shotgun on the ground adjacent to the suspect's vehicle. It should be noted that the shotguns functions (ie: trigger, slide, ejection port, were not manipulated in any fashion while removing it from the suspect to placing it on the ground. Once the shotgun was secured, ESD Paramedics Moss and Cheshier walked around to the driver side of the vehicle and could see what appeared to be brain matter on the window sill and clothing that was near the suspect's head. During further visual inspection of the suspect, ESD saw he had a large hole under his chin in the same area the shot gun barrel was pointed. ESD Paramedics determined the suspect was deceased.

Do to the nature of the crime, the vehicle was visually inspected by LASD Arson explosive Detectives Corcio [redacted] and Acevedo [redacted] for any additional threats. The vehicle was determined safe for Sheriff's personnel to approach for further investigation. While Arson explosive detectives were inspecting the vehicle, Deputy Pokorny was directed to remove the back windows on the passenger and driver side to give Arson detectives access to the rear compartment of the SUV.

Sergeant Brown determined the Suspect was no longer a threat and notified Temple Station Deputies.

Temple Station Deputy Rosales #[redacted] (unit 53T1), responded to our location and secured the scene until the handling investigators arrived. I informed Deputy Rosales were the shotgun was and that our team recovered it from the hands of the suspect inside the vehicle.

NARRATIVE

The purpose of this supplemental report is to provide additional and active information regarding the above incident.

On 03/20/17, while at my desk upstairs in the Temple Station Detective Bureau, I heard numerous successive noises which resembled the sounds of gun shots. I then heard a station wide page which stated there was a deputy involved shooting in the front of Temple Station. I immediately retrieved my tactical vest and radio then responded to the front lobby entrance.

Upon entering the station lobby, I observed Deputy S. Inthavong # [redacted] was lying on the ground behind a black pickup truck in the station's front parking lot. I overheard unknown deputy personnel advise (via radio) that the suspect (later identified as Andrew Lane) was shooting at the deputies and inside of his blue SUV, also parked in the parking lot. I looked out of the front door and saw Deputy Inthavong was to the west of the SUV and "pinned down." I saw the suspect's SUV was backed in and the front of the vehicle was facing south. I was unable to get a better visual outside due to other deputy personnel looking out of the front door. I heard an unknown amount of gunshots as I was standing inside the lobby. I observed the deputy personnel, who were looking out of the door, step back.

Believing the suspect was shooting at the deputies inside the station lobby, I immediately requested additional patrol units to effect a traffic blockage of both east and west bound Las Tunas Dr, at the direction of Sergeant E. Martinez # [redacted] I wanted to ensure the safety of motorists.

I then left the front lobby and went out the station back door in order to assist with containing the suspect in the parking lot. Detective M. Bayer # [redacted] and I got into a marked patrol vehicle and went out the station's back gate. We left the "K-Mart" shopping center (east of Temple Station) and joined Deputy R. Apodaca # [redacted] on Las Tunas Rd just east of the Temple Station front parking lot.

While covering the east side of the parking lot, unknown civilian vehicles attempted to turn west on Las Tunas from the west side "K-Mart" parking lot driveway. I redeployed the patrol vehicle to block the driveway to prevent danger to any civilians. I then met Sgt. E. Martinez who had a patrol car/SUV positioned next to the Temple Station front parking lot driveway.

Sgt. Martinez was in the process of formulating a rescue plan to tactically and safely rescue/ evacuate Deputy Inthavong. I assisted with the evacuation operation by covering the suspect's vehicle with a Los Angeles County Sheriff's Department authorized shotgun, as the patrol vehicle was driven into the parking lot and toward Deputy Inthavong. I stood behind the patrol car/SUV and maintained a position of advantage while the evacuation was executed. Once Deputy Inthavong was evacuated, the patrol car/ SUV backed out.

Deputy K. Cardella # [redacted] and I later met with Deputy B. Vance # [redacted] in the west side of the "K-Mart" parking lot to obtain information about the suspect. Deputy B. Vance provided us S/ Lane's California Driver License bearing no. [redacted] (See attached CLETS printout). I later booked the CDL into Temple Station evidence (EV-1).

I later assisted Deputy Cardella with the preparation of a search warrant. Additionally, I assisted homicide detectives with searching S/ Lane's home ([redacted]

On 03/20/17, I had Temple Station Secretary Martinez enter S/ Lane's CDL into the Automated Property System as evidence (see attached).

NARRATIVE

The purpose of this supplemental report is to provide active additional information related to the above file number.

While working as the Temple Station Watch Sergeant, I entered the Temple Station Dispatch area to conduct a routine check of Station operations. As I entered Temple Station Dispatch I immediately noticed the monitor which captures the Temple Station surveillance cameras footage of the main public Station parking lot. During this time I observed what appeared to be several Deputies running in various directions. I advised the Station Desk personnel that an unusual incident was occurring outside and to alert station personnel.

I responded to the Temple Station front lobby as I simultaneously heard an unknown number of gunshots from several different types of firearms.

As I approached the Temple Station front door I observed Deputy Inthavong #[redacted] at the northwest corner of the Temple Station parking lot behind a large truck. I did not observe him discharge his firearm, however, I continued to hear gunfire.

I ordered Detective Cabrera, who was now with me in the Station lobby, to request for all pedestrian and vehicle traffic to be shut down on westbound and eastbound Las Tunas Boulevard.

I responded to my Station locker and put on my Department issued gunbelt and protective vest, and subsequently responded to the front of Temple Station via the northeast driveway.

I responded and met with Sergeant Long at the northeast Station driveway, and quickly formed a rescue plan/evacuation team to provide for the safe removal of Deputy Inthavong from the Temple Station parking lot.

I along with Deputies Botten #[redacted], Jackson #[redacted] , Garcia #[redacted] Detective Cabrera #[redacted] Chavez #[redacted] Cardenas #[redacted] and Sergeant Long #[redacted] responded with a marked black and white patrol vehicle, ballistic shield, lethal and less lethal weapons deployed ready to be utilized if needed to evacuate Deputy Inthavong. I also delegated radio communication responsibility to communicate via SCC and/or Temple Station LTAC frequencies if necessary.

After formulating the plan and team we entered the Station parking lot and safely rescued/ evacuated Deputy Inthavong and Deputy Vance #[redacted] from the Station parking lot.

Believing Suspect Lane was now barricaded inside his vehicle, I ordered Deputy personnel to take a more tactically sound position.

Observing Sheriff's Special Enforcement Bureau was arriving on scene, I responded to 5665 Rosemead Boulevard, to begin a command post (CP) to better contain and coordinate responding Sheriff personnel.

This concluded my involvement in the above referenced incident.

NARRATIVE

The purpose of this report of this report is provide active additional information on my involvement in this investigation.

I responded to temple sheriff's station regarding radio traffic of a deputy involved shooting in the parking lot of the Station. Upon my arrival I heard approximately six to eight gunshots coming from the north parking lot. I positioned my patrol car facing south on Las Tunas immediately east of the Station, to provide cover. Upon exiting my vehicle I heard deputy personnel advise over their hand held radio that the suspect was "inside the blue SUV parked in the northwest corner of the Station parking lot." I held my containment spot until I was relieved by Special Enforcement Bureau (SEB). At no time did I see the Suspect and or Deputy personnel discharge their respective firearms.

After the initial incident concluded, I responded to the suspects last known residence ([redacted]. NARRATIVE

The purpose of this supplemental report is to provide active and additional information regarding the above file number.

I responded to 8838 Las Tunas Drive (Temple Sheriff Station) in the city of Temple City regarding a Deputy involved shooting just occurred call. Upon my arrival I saw multiple Deputy personnel taking cover behind patrol units on Las Tunas Drive northeast and northwest of Temple Station. I parked my vehicle east of the station in the east bound lanes of Las Tunas Drive facing west bound toward Temple Station.

I exited my vehicle and took cover behind the front driver's side fender. I was informed that the suspect (S/Lane) was in his vehicle which was parked in the north parking lot of Temple Station. I was updated that there were deputy personnel taking cover in the parking lot east of the suspect's vehicle The deputies were unable to exit the parking area safely without crossing the suspect vehicle. S/Lane's status was unknown at this time.

I entered my vehicle and made an approach down the north driveway I was accompanied by multiple deputy personnel who used my car as cover as we moved toward the suspect vehicle and the deputies in need of assistance. I could see S/Lane's feet hanging out of the rear passenger window, but could not see his head or his hands.

Once it was determined we were at a safe, approachable distance A rescue team equipped with a tactical shield, responded from behind my vehicle and supplied the deputies with a sufficient cover to allow them to run to the safety cover of my vehicle. Once all the deputies were behind my vehicle, I safely reversed my vehicle north up the driveway and back onto Las Tunas Drive. I parked my vehicle east of the driveway exited my vehicle and took cover behind it

I then responded to 5665 Rosemead Boulevard (Kmart parking lot) adjacent to the Temple Station and where I established the command post for the incident along with Sergeant Martinez, E. (50S/D.)

I was relieved by Deputy Krajewski, R. #[redacted](57F/P) at 1445 hours.

NARRATIVE

The purpose of this supplemental report is to provide active additional information for the above file number.

I responded to the front parking lot of Temple Sheriff Station (8838 Las Tunas Dr. Temple City, 91780) regarding a Deputy involved in a shooting.

Upon my arrival I took a containment spot north of Temple Station on Las Tunas Dr. Shortly after myself and assisting units, under the supervision of Sgt. Mackenzie (Emp. [redacted] were assigned to respond to the residence of S/Lane located at [redacted]. I contained the front of the apartment complex awaiting a search warrant to search S/Lanes residence.

Special Enforcement Bureau (SEB) and Homicide detectives arrived at S/Lanes residence. While SEB cleared the residence of S/Lane, I maintained my position at the front of the apartment complex. Crime lab arrived shortly after and took over the investigation at the residence of S/Lane.

That concludes my involvement in the incident.

NARRATIVE

The purpose of this report is to provide additional information for the above file number.

I was inside the briefing room when I was advised by Temple Sheriff's Station Watch Deputy Fellows over the loud speaker that there was a deputy involved shooting located in the front parking lot of the station.

I immediately responded to the front lobby and heard several gunshots coming from the front parking lot just south of my location.

I decided to set up a containment and gain a better view of the suspects vehicle and Deputy Inthavong's position just west of the suspects vehicle. I drove towards the west driveway and placed my vehicle on the southwest corner of the parking lot.

Based on my location I was able to see Deputy Inthavong taking cover on the passenger side of a Ford F250 and the suspects blue Chevy Trailblazer. I could also see the front portion of the suspects left boot just outside the rear passenger side window.

While maintaining my position I saw assisting deputies respond to the parking lot with a shield. The deputies covered and safely escorted Deputy Inthavong out of the parking lot.

Special Enforcement Bureau (SEB) responded to the indicated location and secured the suspect and weapon used by the suspect. SEB requested two deputies to respond and to secure the location as a crime scene. I responded and initiated a major incident log at the scene.

NARRATIVE

The purpose of this supplemental report is to provide additional information regarding the deputy involved shooting that occurred in the Temple Station parking lot.

I was working as the Watch Commander when the incident took place. I was advised of a deputy involved shooting in the front parking lot of the station. I went to the front lobby where I heard several gunshots. I went to the front door, along with several other deputies, to assist.

As I was standing near the front door I saw the suspect's vehicle (a blue SUV), and I saw Deputy Inthavong (#[redacted]in the northwest corner of the lot, hunkered down behind a truck taking cover. I was advised the suspect was in the back seat of the blue SUV.

I then heard several more rounds from what appeared to be a shotgun, but could not tell where the rounds were directed or exactly where they were coming from.

At that point, and with assistance from the airship, we did not see any movement from the suspect's vehicle, so a rescue team was formed and the two deputies were extricated from the parking lot.

NARRATIVE

The purpose of this report is to provide active additional information for the above file number.

While working as 53T2, I was in the rear parking lot of Temple Station (8838 E. Las Tunas Drive, Temple City, CA 91780) when I heard the sound of multiple popping noises (10-15 shots) in rapid succession, later identified to be gunshots. A few second later, I heard another burst of popping noises (5-10 shots) at a rapid but slower pace from the first time. I determined the sound was gunshots but from an unknown location. Right after the second burst, I heard over my handheld radio that a 998 (Deputy involved in a shooting) was occurring in the front parking lot of Temple Station.

I approached the North sliding gate in my patrol vehicle to activate the gate to open. I attempted to exit towards the North of the station on foot once the gate opened, but heard several more gunshots (5-10) firing in an unknown direction. I took cover behind the station wall to my west and stopped two other patrol vehicles from exiting the gate due to the unknown direction of fire and lack of cover.

Units were requested over the radio to provide containments for the east and west side of Temple Station. Due to the unknown direction of fire, I exited through the rear of the parking lot and responded to the cross street of Las Tunas Drive/Muscatel Avenue, in the city of Temple City, to provide traffic control and containment.

NARRATIVE

The purpose of this supplemental report is to document my involvement in the officer involved shooting in the Temple Sheriff's Station public parking lot located at 8838 E. Las Tunas Drive, Temple City CA 91780.

I responded to the command post located on the eastbound side of Rosemead Boulevard in front of the Temple Sheriff's Station located at the above address and relieved Deputy Jackson, B. (employee number [redacted]

I assumed responsibility for the Major Incident Log (EV-1) maintained by Deputy Jackson, B. and a separate Major Incident Log (EV-2) maintained by Deputy Silva, O. (employee number [redacted]

At 1525 hours, Coroner Investigator McKibben, J. (employee number [redacted]) arrived and took possession of the body of Suspect Lane, Andrew.

At approximately 1710 hours, the suspect's vehicle (California license plate [redacted] was impounded for evidence by Citywide Towing, located at 9350 Lower Azusa Road, Temple City, CA 91780, Phone: (626) 579-3400. See CHP-180 under the same file number for further.

At approximately 1715 hours, Los Angeles County Fire Department Engine 47, led by Captain Cervantes, arrived and conducted cleanup of the bodily materials left on the parking lot and adjacent car by Suspect Lane.

Once the bodily materials were removed and Engine 47 had left the scene, eastbound Rosemead boulevard was reopened in front of Temple Sheriff's Station.

I booked the two major incident logs (EV-1 and EV-2) into evidence at Temple Sheriff's Station.

This concludes my involvement in the above incident.

NARRATIVE

The purpose of this supplemental report id to provide active additional information related to the above file number.

While sitting at my desk in the Temple Station Scheduling and Training office, which is located just behind the desk area, I heard several noises which I recognized as gun shots. I immediately went to the desk area. As I entered the desk area, I heard additional gun shots coming from the front parking lot area. Law Enforcement Technician [redacted] simultaneously told me that deputies were involved in a shooting in the front parking lot. I looked at the video monitor and saw a deputy (later identified as Deputy Scott Inthavong #[redacted] kneeling down behind a dark colored truck in the northwest corner of the parking lot.

I went to the Watch Sergeant's office, retrieved an AR-15 (M4) and went to the front lobby of the station. There were already numerous Sheriff's Department personnel (Lieutenant Tom McNeal #[redacted] Deputy Ramon Chavez #[redacted] Deputy Danny Salcido #[redacted] and Detective Chris Ortiz #[redacted] at the front door and numerous civilians in the lobby. I handed the AR-15 to Detective Ortiz and I retrieved a shotgun from the Watch Sergeant's office.

Due to Deputy Inthavong being pinned down behind the truck with no escape routes, I determined a better tactical position would be in the Temple Station Secretariat. Detective Ortiz and I took a position in the Secretariat, directly south of the suspect's vehicle. This position gave us a tactical advantage should the suspect re-engage the deputies. We remained in the secretariat until the Special Enforcement Bureau contacted the suspect and determined he was deceased.

I then assumed the Watch Sergeant position and assisted the command post as necessary. I also assisted Deputy Ofelia Silva #[redacted] and Deputy Gabe Rosales #[redacted] with crime scene preservation.

PRELIMINARY INFORMATION:

On March 20, 2017, Investigators Marc Boisvert and Louie Aguilera were detailed to respond to the 8838 Las Tunas drive, Temple City (Temple Sheriff's station) to investigate the circumstances surrounding the Deputy Involved Shooting of Suspect Andrew Lane, MW/03-13-1970. Investigators Marc Boskovich and Donna Cheek were designated to assist with documentation of the scene. Investigators Ken Perry and Scott Matlock were designated to assist with the interview of civilian witnesses. Investigators Steve Blagg and Sergeant Guillermo Morales were designated to assist in the search of the suspect's apartment and interview civilian witnesses.

Upon their arrival, Investigators were briefed by Temple Sheriff's Station Deputy Jeremiah Song #[redacted] Unit 51 Dayshift, on the chain of events that culminated with a Deputy Involved Shooting.

Investigators learned that Deputy Brian Vance who had arrived for work at Temple Station walked to the front counter area of the station to confirm if any sex registrants were awaiting in the front lobby to register. Deputy Brian Vance assigned duty is to ensure person(s) who have been convicted of a sexual offense and reside within the jurisdictional area of the Temple Sheriff's Station register annually with the Sheriff's station of their current address per California penal Code 290. Deputy Vance recognized an individual named Andrew Lane through previous registration contacts. Deputy Vance had also been recently contacted by the Los Angeles Police Department regarding an ongoing investigation involving Andrew Lane regarding child pornography.

When Andrew Lane approached the front counter, Deputy Vance requested Lane's California driver's license. Lane retrieved his wallet from his back pocket to get his identification. As Lane had his wallet on the counter, Deputy Vance saw a metal badge and several forms of identification's which had the word "SWAT." Deputy Vance asked him why he had the identifications. Lane stated the identifications were legitimate and legal for him to obtain. Deputy Vance advised Lane as well as other sex registrants in the front lobby there would be a short wait before the registration begins

Deputy Vance utilized a computer terminal inside of the dispatch area of Temple Station and checked the status of any outstanding warrants for the arrest of Lane. The check revealed an outstanding forty thousand dollar warrant regarding child pornography.

Deputy Vance walked to the Temple Station briefing room where the [redacted] hours pre-shift briefing was being conducted. He advised the deputies of the outstanding warrant issued for Lane. He also notified the deputies about the SWAT identifications he had seen in Lane's wallet and warned about the possibility of Lane possessing a firearm. After hearing this, Deputies Inthavong, Botten, Shue and Sergeant Long walked to the front counter area to contact Lane. Upon arrival, they saw Lane was standing directly outside the Lobby area leaning up against a wall. Upon noticing their presence, Lane immediately fled. The deputies gave chase to Lane, who ran to the passenger side of his 2005 Blue Chevy Trailblazer, and entered the rear passenger door. Lane armed himself with a shotgun, and as he was manipulating it towards the deputies, a deputy involved shooting occurred.

NEXT OF KIN NOTIFICATION:

On March 20, 2017, at approximately 1202 hours, Investigators Aguilera and Boisvert met with Suspect Lanes father, [redacted]

During the interview, he received a phone call from his wife and asked him to come home right away. When he arrived at the house, Andrew Lanes ex-wife [redacted] was at his house and told him something had happened to Andrew. He did not know how [redacted] was notified of the incident.

Arthur told investigators he last saw Andrew the day prior in the afternoon. Andrew had come over [redacted] house and they were working on paperwork for an EMT job Andrew was trying to get. He wasn't sure of any weapons that Andrew possessed. He was aware of Andrew being a very good marksman. He also advised Investigators about Andrew being employed previously as a bounty hunter.

He stated Andrew had tactical training, and spent a year in Haiti for a protection group. He stated Andrew is a [redacted] and in the past used [redacted] Investigators notified Arthur regarding the altercation resulting in the death of Suspect Lane. Author was not aware of the outstanding warrant which had been issued for the suspect.

[redacted]

On March 20, 2017, at approximately 1258 hours, Investigators Aguilera and Boisvert met with [redacted] She spoke to Suspect Lane around 7:10 a.m. on the morning of the incident. She was alerted through her phone about a shooting incident that took place at Temple Sheriff station and knew Suspect Lane was at the location. On the news she recognized Suspect Lanes vehicle. She was with Suspect Lane a day prior to the incident at Suspect Lanes parents' house.

[redacted]. Within the last month she saw a shotgun at Suspect Lanes house. The shotgun was leaning against a wall by the doorway into the bathroom. She knew Suspect Lane was not allowed to possess any firearms because of his prior felony arrest. She was also aware of Suspect Lane possessing bulletproof vests because of a security job which he had previously held in Haiti.

She noticed that he has currently been wearing long sleeves and this concerned her because in the past Suspect Lane had been [redacted]. She was aware of the suspect being a sex registrant because of an incident that occurred while they were living together.

[redacted] stated a conversation had taken place with the suspect on the date of the incident at approximately 7:10 a.m. During the conversation Suspect Lane told her that if she didn't hear from him by 9 a.m., that something went wrong. Investigators had [redacted] check her phone to verify the time Suspect Lane called. [redacted] stated Suspect Lanes cellular telephone number was [redacted] After looking at her phone she stated that the telephone conversation was at 7:11 a.m. Suspect Lane believed he was wanted by the police for his arrest because Deputy Vance had previously contacted him. He thought it was suspicious that Deputy Vance wanted to retake his picture.

After hearing about the incident she drove to Suspect Lanes parent's house to advise the parents about the incident. [redacted] stated he recently visited Wyoming to visit his biological siblings and since that visit has been wearing cowboy hats.

INTERVIEW OF DEPUTY BRIAN VANCE:

On March 20, 2017, at approximately 1325 hours, Investigators Aguilera and Boisvert interviewed Deputy Brian Vance at Temple Sheriff Station Also present during the interview was Attorney Sherry Lawrence representing Deputy Vance. The interview was audio recorded, and the following is a summary of the interview:

Deputy Vance was assigned to Temple Station Patrol working as the 290 registrant (sex registrant) deputy on Day Shift from [redacted] hours to [redacted] hours. He was wearing blue jeans, a grey shirt, brown jacket and brown boots. His duties include checking in with person(s) convicted of a sex related crime at the front lobby of Temple Sheriff's Station.

Deputy Vance normally wears a class A uniform while working the front desk. On the day of the incident he arrived late to work and went directly to the counter to make contact with the sex registrants in the lobby with the intention of getting their information and advising them of the wait time. After advising the occupants in the lobby of this, he was going to go change into his uniform Deputy Vance contacted them to let them know he was there and identified himself as a Deputy Sheriff. The registrants came to the counter and identified themselves. It should be noted Deputy Vance has had prior contacts with the sex registrant individuals due to their annual registration.

Deputy Vance had several registrants come to the counter. He immediately recognized Andrew Lane once he approached the front counter from prior contacts. Deputy Vance stated Andrew Lane was wearing a black cowboy hat and jeans. He was also aware investigators with the Los Angeles Police Department had issued a warrant for Andrew Lane for a lewd act with a child violation. Deputy Vance had been previously contacted by the investigators regarding this outstanding warrant.

Deputy Vance contacted Andrew Lane and asked for his identification and registration receipt. Lane complied and retrieved his wallet from his back pocket. When he did this he dropped his wall on the lobby counter, Deputy Vance was able to see two "SWAT" identifications in the name of "Andrew Lane." Deputy Vance questioned Lane about the identification. Lane stated he was a security officer and was able to carry the identification. Deputy Vance also saw a metal badge that appeared similar to an L.A.P.D badge. After Deputy Vance was done speaking to Lane he went to a computer terminal and confirmed that Lane had an outstanding warrant. Deputy Vance attempted to contact Los Angeles police officers regarding Lane being present in the front lobby. Deputy Vance stated the warrant was a forty-thousand-dollar felony outstanding warrant.

Deputy Vance contacted deputies who were attending the morning briefing before starting their shift on patrol. Deputy Vance briefed several deputies regarding Lane having an outstanding felony warrant and being a sex registrant. Deputy Vance also advised deputies about the SWAT badge and stated Lane could possibly be armed. Deputy Vance was also aware of Lane recently returning from Wyoming. This was alarming to Deputy Vance because he is aware of gun laws in Wyoming.

Deputy Vance stated Deputy Shue, Deputy Inthavong, and Sergeant Long began walking towards the front counter to contact Lane. Deputy Botten also assisted. Deputy Vance stated he only went with them to help make a positive identification of Lane. Deputy Vance stated when he went outside to help identify Lane he noticed Lane was now standing outside the front door. When the uniformed deputies went to contact Lane, he saw Lane take his cowboy hat off and start running towards a blue trailblazer parked in the station's front lot.

Deputy Vance remained by the front door and saw Lane run towards the passenger side of the blue trailblazer. He saw Deputy Inthavong running after Lane. Deputy Vance heard Deputy Inthavong shout "he's reaching for something." Deputy Vance heard Sergeant Long yell "shoot, shoot." Deputy Inthavong and Botten began shooting. Deputy Vance retrieved his department firearm and ran behind a tree in the front parking lot to get cover. [redacted] Vance noticed that there were civilian workers in the parking lot area. He began giving orders to the civilian workers to run towards him and to go into the front lobby. Deputy Vance saw Sergeant Long and Deputy Botten take cover next to a vehicle directly to the east of the trailblazer where Lane entered. He noticed Deputy Shue was also to the east of the trailblazer taking cover on the walkway entrance behind a small wall.

Deputy Vance heard a gunshot and saw glass and debris shatter from the driver's side of the trailblazer and thought Lane was shooting towards those three deputies. Deputy Vance immediately fired 3 to 4 rounds from his department firearm towards the trailblazer to prevent Lane from firing any more rounds towards the three deputies who were on the driver side area where the gunshot had come from. Deputy Vance was not aware of the type of firearm which Lane had armed himself with. After deputy Vance fired he did not see any more gunshots from within the trailblazer and did not fire again.

Deputy Vance heard deputies giving Lane verbal commands to put his hands up. He saw a marked black-and-white Sheriff's vehicle drive into the parking lot with the use of a protective shield to help Deputy Inthavong and himself exit the parking lot safely. Deputy Vance was then escorted into Temple Station.

Deputy Vance's firearm was a Department approved Smith & Wesson, M&P, 9mm semi-automatic handgun, serial number MRF4240. There was one round in the chamber and thirteen rounds in the magazine for a total of fourteen rounds. Deputy Vance stated he routinely carries his weapon with seventeen rounds in the magazine and one in the chamber for a total of eighteen rounds. Deputy Vance stated he was utilizing an in the pants holster for the firearm.

The interview was concluded at approximately 1555 hours

INTERVIEW OF DEPUTY SCOTT INTHAVONG:

On March 20, 2017, at approximately 1416 hours, Investigators Aguilera and Boisvert interviewed Deputy Scott Inthavong at Temple Sheriff's Station. Also present during the interview was Attorney Sherry Lawrence representing Deputy Inthavong. The interview was audio recorded, and the following is a summary of the interview:

Deputy Inthavong was assigned to Temple Station patrol working Unit 55D on day shift from [redacted] hours to [redacted] hours. He was wearing his tan and green class A uniform, complete with Los Angeles County Sheriff's Department patches, and his metal badge on his chest.

Deputy Inthavong stated he was in the station briefing room when he was notified by Deputy Vance of a suspect in the front lobby with an outstanding felony warrant. He volunteered to arrest the suspect for the felony warrant. Deputy Inthavong along with Deputy Shue, Botten and Sergeant Long walked towards the front lobby to arrest suspect Lane. Deputy Vance provided a description of the suspect to the deputies and warned them he might possibly be armed. The deputies walked out of the station and into the front lobby and did not see the suspect.

The deputies saw the suspect outside the entrance door to the lobby by the Sheriff's star logo which is directly outside the front door. Deputy Inthavong approached the suspect. He asked the suspect if he was Mr. Lane. Lane asked what everything was about and began backing up. Lane then began running towards his blue trailblazer in a north-west direction. Inthavong gave chase to the suspect. The suspect took his cowboy hat off and threw it at the deputies as he was running away. Inthavong noticed the suspect's vehicle was backed in with the front of the vehicle facing southbound. The suspect ran to the passenger side rear door and entered the vehicle.

Inthavong again gave verbal commands to the suspect to "show him his hands." Inthavong noticed the suspect was reaching for something. He advised assisting deputies that the suspect was reaching for something. At this point Inthavong was positioned directly in front of the rear passenger door, and could still see the suspect fumbling with something. Inthavong had his firearm out and stayed at his position giving verbal commands to the suspect. Inthavong heard "gun," then heard Sergeant Long yell "shoot, shoot, shoot." Inthavong began firing his department issued firearm towards the suspect. Inthavong backed up and shot another round in order to get cover. Deputy Inthavong was concerned about his safety and the safety of assisting deputies.

Inthavong positioned himself to the west of the suspect vehicle behind a vehicle that was parked to the west of the suspect vehicle. He stated during the entire time he was shooting the suspect was still moving. Inthavong was aware of Deputy Botten being positioned by the driver's side of the vehicle. Inthavong removed his magazine once he was in a position of cover and reloaded. Inthavong stated the position he was in caused him to have nowhere to move.

As Inthavong was behind the truck he heard one shot from the suspect. Inthavong described the shot as a rifle round. Deputies used a black-and-white radio car and a protective shield to assist him with to safely exit the parking lot area where he was positioned.

Deputy Inthavong's firearm was a Department approved Berretta, 92FS, 9mm semi-automatic handgun, serial number BER483732 with a Surefire tactical light. There was one round in the chamber and seventeen rounds in the magazine for a total of eighteen rounds. Deputy Inthavong stated he routinely carries his weapon with seventeen rounds in the magazine and one in the chamber for a total of eighteen rounds.

The interview was concluded at 1433 hours.

INTERVIEW OF DEPUTY NATHAN BOTTEN:

On March 20, 2017, at approximately 1450 hours, Investigators Aguilera and Boisvert interviewed Deputy Nathan Botten at Temple Sheriff's Station. Also present during the interview was Attorney Sherry Lawrence representing Deputy Botten. The interview was audio recorded, and the following is a summary of the interview:

Deputy Botten was assigned to Temple Station patrol working Unit 55E on early morning shift from [redacted] hours to [redacted] hours. He was wearing his tan and green class A uniform, complete with Los Angeles County Sheriff's Department patches, and his metal badge on his chest. He had just ended his shift and was entering the station.

Deputy Botten stated he was in the watch sergeant's office when he saw Deputy Inthavong speaking with Deputy Vance regarding a suspect who had a felony warrant.

Deputy Botten was aware the suspect could possibly be armed because of the SWAT badge. Deputy Botten assisted the deputies to contact and arrest the suspect regarding the felony warrant.

As he walked into the lobby, he saw the suspect standing outside leaning against the front entrance wall. When the suspect saw the deputies approach him, the suspect tensed up and asked, "What's going on?" Deputy Inthavong told the suspect to turn around and place his hands behind his back at which time the suspect stepped away and immediately ran away. The suspect ran towards the north west area of the parking lot. The suspect took his hat off and threw it at Deputy Inthavong.

He saw the suspect run towards a blue Chevy SUV vehicle. Deputy Botten saw the suspect enter the back seat of the vehicle, and this concerned him. Deputy Botten approached the driver side door of the vehicle and open the driver's door. He positioned himself between the driver's side door and driver's seat. He saw Deputy Inthavong approach the passenger side of the vehicle, and Sergeant Long positioned himself directly behind Botten. Deputy Botten had his firearm drawn and was giving the suspect commands. He saw the suspect reaching for something in the backseat. He saw the stock of what he described as possibly being a rifle or a shotgun. At this time the barrel was facing east.

Deputy Inthavong began shouting. "he's reaching for something." He then heard gunshots coming from the passenger side of the vehicle. He shut the door and began backing away as he viewed the suspect through the front windshield. He saw the barrel of a long gun moving back and forth between the front driver and passenger seat. He saw the suspect looking at him and saw the suspect lift the gun as if he was going to use it against the deputies. Deputy Botten fearing for his safety and the safety of the deputies next to him fired three rounds at the suspect through the windshield.

Deputy Botten saw the suspect was still manipulating the firearm at which time he fired three more rounds. Deputy Botten and Sergeant Long moved away from the suspect vehicle and went next to the driver's side engine block area of a white vehicle directly east of the suspect vehicle to get cover. He was concerned for Deputy Inthavong, and began communicating with Deputy Inthavong by yelling towards him. As he was positioned behind the vehicle he saw the suspect fire out of the driver side rear window.

Deputy Botten felt the glass hit him in the face, and the bullet go by him. He thought the suspect was shooting at him. At this time Deputy Botten did a tactical reload of his firearm and placed the magazine from his weapon in his front left pocket. A Los Angeles County Sheriff's helicopter arrived overhead and began giving commands to the suspect. Deputies utilized a marked Sheriff's vehicle and approached the white vehicle he was taken cover next to. Deputy Botten utilized a Sheriff's protective shield and assisted Deputy Inthavong to exit the parking lot area with no further incident.

Deputy Bottens' firearm was a Department approved Berretta, 92FS, 9mm semi-automatic handgun, serial number BER455614, with a Surefire X300 Tactical light attached to the firearm. There was one round in the chamber and nine rounds in the magazine which was in his right front pocket for a total of ten rounds. There were fifteen rounds in the magazine which Deputy Botten removed from his gun. Deputy Botten stated he routinely carries his weapon with fifteen rounds in the magazine and one in the chamber for a total of sixteen rounds.

The interview was concluded at 1514 hours.

INTERVIEW OF SERGEANT JAMES LONG:

On March 20, 2017, at approximately 1528 hours, Investigators Aguilera and Boisvert interviewed Sergeant James Long at Temple Sheriff's Station. Also present during the interview was Sergeants Paul Valle from Internal Affairs Bureau, and Attorney Sherry Lawrence representing Sergeant Long. The interview was audio recorded, and the following is a summary of the interview:

Sergeant Long was assigned to Temple Station patrol working Unit 50S on day shift from [redacted] hours to [redacted] hours. He was wearing his tan and green class A uniform, complete with Los Angeles County Sheriff's Department patches, and his metal badge on his chest. He was the supervisor who accompanied the deputies to arrest Andrew Lane.

Sergeant Long stated he was doing the [redacted] hours briefing, when Deputy Vance came into the briefing room and informed deputies regarding a felony warrant of a sex registered who was in the front lobby. He had been informed the felony warrant had been issued by L.A.P.D detectives. He was informed of previous surveillance that was conducted by L.A.P.D on the suspect. Deputy Vance advised Sergeant Long regarding the SWAT badge the suspect possessed and the possibility of the suspect being armed in the lobby.

Sergeant Long stated Deputy Scott Inthavong had a tazer for any less than lethal option. Deputies Botten, Shue and Vance assisted. He saw the suspect outside the door he could see the suspect leaning against the wall. The suspect put his foot on the ground and began running. Deputies told him to stop, as the suspect ran in a north westerly direction. Sergeant Long felt the suspect was going to run and try to jump the wall of the parking lot. Sergeant Long began running out of the parking lot because he felt the suspect was going to jump the wall and leave the parking lot. He saw the suspect had approached the rear passenger door of a vehicle.

Sergeant Long approached the vehicle with Deputy Botten, and saw the suspect reaching into the vehicle. Sergeant Long found this odd because the suspect was no longer attempting to flee but was reaching into the vehicle for an unknown object. He heard Deputy Inthavong scream or shout something, and heard a large volley of bullet rounds. He could see the suspect moving through the driver's door, and then saw the barrel of a long gun in the suspect possession. He told Deputy Botten "shoot, shoot, shoot." Sergeant Long was to the right and behind Deputy Botten when he gave his command.

Sergeant Long felt he was in a life or death situation. After Deputy Botten fired several rounds, he and Deputy Botten retreated to a white vehicle directly next to the suspect vehicle to take cover. While at the white car he did not have a good view of the suspect. He was by the trunk side of the vehicle, Deputy Botten was to his right, and Deputy Shue was behind him, all of them facing west towards the suspect.

Sergeant Long was aware that Deputy Vance was to his south taking cover behind a tree. Sergeant Long stated glass shattered around the window level of the vehicle he was taking cover behind. The glass was as a result of the suspect firing out the window of the passenger side rear window. He stated the window blew out and he believed it to have been a shotgun round. He believed the round was a control shot and the pattern of fire was over the vehicle where he and deputy Botten were taking cover behind.

At this time, he believed Deputy Vance shot from his point of advantage but he was not sure. He was not sure because he was aware that deputies were also positioned on top of the station roof. This would have been the same area where Deputy Vance was positioned. After rounds were shot from the suspect vehicle and from the south of where he was positioned he stated everything became calm. A Los Angeles County Sheriff's helicopter was above and assessing the situation. The Sheriff's helicopter advised him the suspect was armed with a firearm.

Sergeant Long believed the suspect never intended to escape and was going to engage in a life or death battle. Sergeant Long was not aware of Deputy Inthavong's position and believed he was behind an engine block of the vehicle to the west. A tactical decision was made to assist all personnel to evacuate the parking lot area. After all personnel were evacuated, Sheriff's SEB personnel took over the scene.

The interview was concluded at 1553 hours.

INTERVIEW OF DEPUTY HENRY SHUE:

On March 20, 2017, at approximately 1557 hours, Investigators Aguilera and Boisvert interviewed Deputy Henry Shue at Temple Sheriff's Station. Also present during the interview was Sergeants Paul Valle from Internal Affairs Bureau, and attorney Sherry

Lawrence representing Deputy Shue. The interview was audio recorded, and the following is a summary of the interview:

Deputy Shue was assigned to Temple Station patrol working Unit 52D on day shift from [redacted] hours to [redacted] hours. He was wearing his tan and green class A uniform, complete with Los Angeles County Sheriff's Department patches, and his metal badge on his chest.

While he was in the briefing room he was notified by Deputy Vance regarding a 290 registrant in the Lobby area with a forty-thousand-dollar warrant. After briefing was over, he along with Deputy Vance, Inthavong, and Sergeant Long proceeded to the front lobby in order to affect an arrest on the suspect. He was the last deputy to enter the lobby. He saw the suspect who was waiting by the exit door of the station. The suspect gave the deputies a very surprised expression when the deputies approached him. The suspect tried to disengage the deputies as Deputy Inthavong began speaking to the suspect. The suspect quickly began running towards the parking lot area. The suspect took off his cowboy hat and threw it at Deputy Inthavong as he continued to run.

The suspect ran towards a blue Chevrolet Trail Blazer and entered the vehicle through the rear passenger door. Deputy Shue was positioned behind Sergeant Long and Deputy Botten on the east side of the parking lot. He heard someone yell "shoot, shoot, shoot." He was not able to recall the distance from him to the suspect's vehicle. Deputy Inthavong began shooting into the interior of the Trail Blazer. At this time Deputy Shue began looking for a position of cover. He saw several maintenance workers in front of the building and began giving verbal commands to leave the area. Deputy Shue then took a position of cover on the sidewalk area in front of the station behind a small concrete block wall. Deputy Botten and Sergeant Long were still directly in front of him in his line of fire. Deputy Shue stated he never fired any rounds from his firearm because of this. He then looked to his left and saw Deputy Vance firing from behind a tree in the front of the station towards the Trail Blazer. Deputy Shue began placing radio traffic via his handheld radio advising of the situation.

Deputy Shue followed Sergeant Long and Deputy Botten as they exited the station parking lot area and onto the street.

The interview was concluded at 1612 hours

DEPUTY VANCE, INTHAVONG AND BOTTENS' FIREARM:

At the conclusion of Deputy Vance, Inthavong and Bottens' interview, investigators took possession of their firearms. Investigators released the firearms to Criminalist Anny Wu from the Los Angeles County Sheriff's Department Crime Lab, Firearm Section. Criminalist Anny Wu transported the firearms to the crime lab for further examination.

For a full account of Criminalist Wu's actions and observations, refer to her supplemental report under the same file number.

RESPONSE AND ARRIVAL

On Monday, March 20, 2017, Investigators Perry and Matlock were assigned to assist Investigators Aguilera and Boisvert in their investigation of attempted murder of a deputy and subsequent deputy involved shooting at the Temple Sheriff's Station (8838 East Las Tunas Drive in the city of Temple). Investigators were briefed by the handling unit, Deputy J. Song #[redacted] as to the known circumstances at that time.

Deputy Song told Investigators, the Suspect had come to the Temple Sheriff's Station for his yearly 290 P.C. registration. When detectives and deputies at the station attempted to arrest the Suspect for an outstanding warrant, the Suspect ran to his car and armed himself with a shotgun. Subsequently, three deputies fired their duty weapons at the Suspect. Two on duty deputies, four civilians, four civilian station workers and four civilian contractors witnessed portions of this incident.

Investigators Perry and Matlock were assigned to interview the twelve civilian witnesses.

****

Several witnesses were working in the Temple Station secretariat/records area at the time of this incident. The secretariat/records area of Temple Station is located on the ground floor at the northwest portion of the building, within a secure area and accessed off several interior hallways which lead to the main entry door located at the east side. This office space is a large open rectangular room with large windows lining the north side which look out onto the north parking lot of Temple Station.

These windows have vertical cloth blinds on the interior windows, which were open at the time of this incident. Additionally, on the outside of the windows, attached to the exterior of the building, were large vertical metal louvers for privacy and protection. These louvers covered the full extent of the glass windows and were divided in half; east and west. Attached to the louvers was a control mechanism which allowed either the east and or west half of the louvers to be opened or closed. At the time of this incident, the east half of the metal louvers were closed while the west half of the metal louvers were open.

Desks in the secretariat were arranged in pairs along the north wall, adjacent to the windows while still more desks were arranged in pairs along the south wall. File cabinets, storage units and desks/work areas lined the middle of this area. A partially enclosed copier room was located at the middle/west end of this room. The sole fully enclosed office in this space was located at the southeast corner, south of the main entry door.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1146 hours, Investigators spoke with Witness [redacted] at the Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Senior District Attorney Investigator Gary Nakamura and D.D.A. Shannon Presby both of the JSID unit of the Los Angeles County District Attorney's office, and Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this file. The following is a brief summary of [redacted] statement to Investigators.

[redacted] is currently assigned to Temple Sheriff's Station as a clerk and has worked there for the past 2 years. [redacted] is currently working an early morning shift, from [redacted] to [redacted] hours and was so working on the morning of March 20, 2017.

[redacted] assigned work area is the secretariat/records area of Temple Station. She described her desk within the secretariat/records area as being in the northeast portion of this office space, adjacent to the north wall and north windows, in the corner.

[redacted] said she was seated at her desk processing reports between 0700 and 0720 hours. [redacted] explained, at that time she closed the east half of the metal louvers (the louvers adjacent to her work area) for her own comfort and then closed the glass window as well. It was shortly after this she heard shouting in the parking lot coming from at least two persons. [redacted] said she didn't pay much attention to the shouting as it is common to hear verbal disputes in the parking lot, often the result of child custody exchanges. [redacted] characterized the sound of the shouting as "stern" and or "aggressive" even though she couldn't hear the exact words being spoken.

Following the shouting, [redacted] heard a series of gunshots coming from the parking lot. [redacted] estimated hearing one initial gunshot followed by three gunshots in rapid succession then a very brief pause followed by "a few more" gunshots. [redacted] estimated she heard a total of eight gunshots from the parking lot. [redacted] did not recall hearing any loud voices during the gunfire and clarified, the shouting stopped just as the gunfire started.

Upon hearing the gunfire, [redacted] stayed at her desk processing what she had just heard. Moments later, [redacted] said her co-worker Witness [redacted] told her to get away from the window and come to the south side of the office. As [redacted] got to the south side of the secretariat, a station lieutenant entered the room and told all the employees to move into the supervisor's office for safety.

[redacted] denied ever looking out any of the secretariat windows.

[redacted] had nothing further to add and the interview was ended.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1200 hours, Investigators spoke with Witness [redacted] at the Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Senior District Attorney Investigator Gary Nakamura and D. D.A. Shannon Presby both of the JSID unit of the Los Angeles County District Attorney's office, and Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this file. The following is a brief summary [redacted] statement to Investigators.

[redacted] is currently assigned to Temple Sheriff's Station as a clerk and has worked there for the past 2 years. [redacted] is currently working an early morning shift, from [redacted] to [redacted] hours and was so working on the morning of March 20, 2017,

[redacted] assigned work area is the secretariat/records area of Temple Station. She described her desk within the secretariat/records area as being in the southwest portion of this office space, near the copy room.

Regarding this incident, [redacted] told Investigators she was at her desk when she heard loud voices coming from the parking area north of her office. She could not discern what was being said or who was talking and did not immediately look up and out. [redacted] said hearing arguments outside in the adjacent parking lot was a common occurrence. She estimated the yelling/loud voices continued for approximately 5 to 10 seconds after which she heard several gun shots.

[redacted] described hearing approximately 5 to 6 gun shots in rapid succession followed by a short pause and then 3 more shots followed by another short pause and then one more gun shot.

[redacted] explained further and said upon hearing the first two volleys of gunfire, she stood and looked north, through the north windows of her office toward the parking lot. In the parking lot, she saw several deputies, one she knew by name as Deputy Botten. Deputy Botten was with one or two other deputies and they were standing in the middle area of the parking lot, toward the east side. [redacted] described seeing another deputy standing in the area of the northwest corner of the parking lot, near a parked truck (described as being in the northwest corner of the parking lot). She did not know the name of this deputy.

[redacted] said the deputy at the northwest corner of the parking lot appeared to be taking cover along the passenger side of the parked truck and was pointing his handgun in an easterly direction. [redacted] could not see what this deputy was pointing his gun at. She estimated she was looking out toward the parking lot for 5 to 6 seconds.

As she observed the above and now fearing for her safety and those of her co-workers, [redacted] called out to Witness [redacted] who was seated near the windows, to come to the south side of the office. As [redacted] came across the office, [redacted] said they both moved to their supervisor's office (Witness [redacted] at the southeast corner of the secretariat. [redacted] and her co-workers took shelter on the floor in the office. [redacted] recalled, after taking shelter in the office, she heard one more gunshot come from the area of the parking lot. After that, there was no more gunshots or shouting. [redacted] and her co-workers remained in the office until removed by deputies from the station.

[redacted] specifically stated she never saw any of the deputies or any other person actually fire a gun.

[redacted] had nothing further to add and the interview was ended.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1230 hours, Investigators spoke with Witness [redacted] at the Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Senior District Attorney Investigator Gary Nakamura and D. D.A. Shannon Presby both of the JSID unit of the Los Angeles County District Attorney's office, and Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this file. The following is a brief summary [redacted] statement to Investigators.

[redacted] is currently assigned to Temple Sheriff's Station as a Supervising Clerk and has worked there for the past 12 years. [redacted] currently works a flex schedule and started her duties today, March 20, 2017, at [redacted] hours.

[redacted] assigned work area is the secretariat/records area of Temple Station. In this area, [redacted] desk/workspace is inside the sole office, located at the southeast corner of the secretariat.

Regarding this incident, [redacted] told Investigators she was inside her office when she heard several loud noises she thought might be gunshots coming from the mobile range. Immediately following the initial shots, [redacted] heard several more rapid gunshots. [redacted] then heard someone on the station public address system tell people to get down. [redacted] got on to the floor and then yelled for her co-workers to come into her office for their own safety. At this point [redacted] said she was joined by Witness [redacted] Witness [redacted] and Witness [redacted] said she and her co-workers stayed in her office until they were escorted out of the secretariat by deputy personnel.

[redacted]eiterated she did not leave her office during this incident and never saw anybody shooting nor did she hear anybody yelling.

[redacted]had nothing further to add and the interview was ended.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1246 hours, Investigators spoke with Witness [redacted] [redacted]t the Temple Sheriff's Station. Also present during this interview with [redacted]ere the following people: Senior District Attorney Investigator Gary Nakamura and D. D.A. Shannon Presby both of the JSID unit of the Los Angeles County District Attorney's office, and Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted]was recorded, a copy of which will become a permanent part of this file. The following is a brief summary [redacted]statement to Investigators.

[redacted] currently assigned to Temple Sheriff's Station as a clerk and has worked there for the past 16 years. [redacted] is currently working on the day shift, from [redacted] to [redacted] hours and was so working on the morning of March 20, 2017.

[redacted]ssigned work area is the secretariat/records area of Temple Station. He described his desk within the secretariat/records area as being in the southeast portion of this office space, near the supervisor's office.

Regarding this incident, [redacted]aid he was standing at the secondary copier, outside the copy room, making copies when he heard several loud "bangs" coming from the Station parking lot, north of his office. [redacted] looked out the window toward the parking lot and saw a group of deputies "scattering" toward the lobby doors. [redacted] realized the "bangs" he was hearing were actually gunshots. At that same moment, [redacted]eard the Station public address system announce "Everybody get down, 998 in the front parking lot."

At this time, Witness [redacted]called from her office for their co-workers to take shelter in her office and [redacted]uickly moved into the office. Once inside the office, [redacted]eard another burst of gunfire coming from the parking lot area. [redacted] said he stayed in Witness [redacted]office until they were all escorted to a safe area by deputies.

Regarding the gunfire he heard, [redacted]described initially hearing 3 to 4 gunshots in rapid succession followed by a short pause followed by "many" gunshots, also in rapid succession. [redacted] said that prior to the gunshots, he did not hear any loud voices or yelling from the parking lot area.

Regarding the group of deputies [redacted] saw in the parking lot, [redacted] said he did not see any of these deputies shoot their guns and in fact he couldn't tell if they had even drawn their weapons. [redacted] admitted he suffers with poor distance vision and said he could tell the people he saw were uniformed deputies but couldn't see them well enough to identify or describe specifics of each deputy.

[redacted] had nothing further to add and the interview was ended.

At the conclusion of the above interviews, JSID representatives Presby and Nakamura opted not to sit in on the following interviews.

Investigators were assigned to interview witnesses who were present in the Temple Sheriff's Station front lobby at the time this incident occurred. The front lobby area is in the northeast corner of the building with a glass entry/exit door facing west. There are additional glass panels on both sides of the entry door. There is a front counter area directly across from the front door. South of the front counter is the dispatch center, which is enclosed by heavily tinted windows providing personnel a view of the counter and lobby area. There is a short hallway traveling north from the front counter, stopping at an access door to the interior of the station. There is a telephone booth with a fixed seat and shelf on the east side of this hallway, no telephone is present in the booth. There is a drinking fountain on the west side of this hallway. There is also a short hallway traveling south from the front counter area, stopping at an access door to the interior of the station. There were several metal/plastic chairs unaffixed in the lobby area, which were normally situated against the south wall adjacent to the main lobby doors.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1340, Investigators spoke with Witness [redacted] at Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this case file. The following is a brief summary [redacted] statement to Investigators.

[redacted] arrived at Temple Sheriff's station on March 20, 2017 at approximately 0700 hours to [redacted]. He was dropped off at the location and waited in the lobby to conduct his business with Detective Vance. [redacted] said there were three (3) male Hispanics adults and one (1) male white adult also waiting in the lobby. He said some of them were seated in the plastic/metal chairs that were against the south wall, just inside the lobby door. [redacted] said he fell asleep while seated in a chair for a short period of time while waiting for Deputy Vance.

Upon waking, [redacted] went outside to smoke a cigarette As [redacted] walked out of the lobby, the white male (hereafter referred to as the Suspect), also walked out behind him. [redacted] noticed the Suspect was wearing a black cowboy hat. [redacted] saw the Suspect walk towards the cars parked on the north side of the parking lot, but did not see him walk to a specific car. He believed the suspect went to a specific car though because he returned with a pack of cigarettes he previously didn't have. The Suspect walked back towards the front of the station, just outside the front doors, and began smoking a cigarette. [redacted] finished his cigarette and went back inside the station. [redacted] never saw the Suspect walk back into the station lobby. [redacted] said he never spoke to the Suspect.

When [redacted] walked back into the station, he walked down the short hallway that leads north from the front counter. [redacted] sat down on the seat in the phone booth and rested his head on his folded arms, supported by the small shelf, and watched a movie on his cellular telephone. *It should be noted, from the seated position of the phone booth, an individual can't view the parking lot area of the station.*

[redacted] noticed deputies enter the lobby from the interior of the station via the access door at the end of the south hallway. He said the deputies were dressed in the usual Sheriff's uniform of tan shirts green pants, Sheriff's shoulder patches, and gun belts. He saw more than one deputy, but couldn't say how many there were exactly. He did not hear the deputies talking about anything specifically. He said the deputies exited the lobby through the front door leading outside.

Shortly after [redacted] saw the deputies exit the lobby, he heard loud voices from outside yelling, "Get on the floor get on the floor, let me see your hands." The commands sounded as if they came from more than one person He did not hear any responses to the commands.

Approximately 15-20 seconds after [redacted] heard the commands, he heard a "burst" of gunfire He could not give an exact or approximate number of gunshots he heard. The gunfire was so rapid he believed it came from one gun. He did not leave his position in the phone booth. After he heard the gunshots, there was a short pause and he heard, who he believed were deputies, yelling, "Get Cover, Stay Back."

After the gunfire, [redacted] saw several additional deputy personnel enter the lobby from the interior of the station He heard those deputies yelling commands to individuals outside of the lobby, saying, "Come over here, get to the side." He saw some of those deputies leave the lobby, going outside.

[redacted] never came to the front lobby windows or went outside of the lobby during this incident. [redacted] possessed a cellular telephone with a camera during this incident. He did not utilize his telephone to digitally record this incident He did not see anyone else record this incident with any device.

[redacted] reiterated he did not leave the phone booth area during this incident and never saw anybody shooting.

[redacted] had nothing further to add and the interview was ended.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1409 hours, Investigators spoke with Witness [redacted] at the Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this file. The following is a brief summary [redacted] statement to Investigators.

[redacted] was at the Temple Sheriff's station to renew his 290 P.C. registration and arrived at approximately 0700 hours. [redacted] drove to the station and parked his vehicle in the shopping center parking lot east of the station He entered the lobby area and was told to he would have to wait for the detective [redacted]. [redacted] sat in a chair near the glass lobby doors.

[redacted] told investigators, shortly after he arrived at the station a man wearing a cowboy hat entered the lobby (hereafter referred to as Suspect). The Suspect approached the lobby counter and gave something to a clerk there. The Suspect then walked out of the lobby and began to smoke a cigarette in the area just outside the lobby doors. [redacted] said, as the Suspect smoked, he paced back and forth in front of the lobby doors

After some time, [redacted] watched as six Deputies came from the interior portion of the station, past [redacted] and out the lobby doors. As they exited, [redacted] heard one of the Deputies say to the Suspect, "You're under arrest." At this moment, the Suspect turned away from the Deputies and began "jog-walking" in a westerly direction across the parking lot toward his car. [redacted] saw some of the Deputies draw their duty weapons as they chased the Suspect. [redacted] said, as the Suspect moved away from the Deputies, he took off his cowboy hat and threw it to the ground.

At this point, [redacted] said "I thought something bad was going to happen," and he moved from his seated position against the south lobby wall, to the north wall, next to the drinking fountain. As he stood next to the drinking fountain, [redacted] said he heard at least six (6) gunshots in rapid succession coming from the parking lot. [redacted] did not see who was shooting, he could not see into the parking lot from his position next to the drinking fountain. After hearing the gunshots, [redacted] stayed next to the drinking fountain out of fear for his safety until he was moved to the interior of the station by station personnel.

When asked how he knew the Suspect was going to "his car" as he "jog-walked" across the parking lot, [redacted] said he had seen a blue SUV type vehicle in the parking and assumed it belonged to the Suspect. [redacted] admitted he did not see the Suspect get into this car.

Investigators asked [redacted] if he heard any yelling or loud voices in the parking lot prior to hearing the gunshots. [redacted] said he did not and admitted he was hard of hearing.

[redacted] possessed a cellular telephone with a camera during this incident. He did not utilize his telephone to digitally record this incident. He did not see anyone else record this incident with any device.

Witness [redacted] had nothing further to add and the interview was ended.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1431 hours, Investigators spoke with Witness [redacted] at the Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this case file. The following is a brief summary [redacted] statement to Investigators.

Assisting Investigators in this interview with Spanish language translation was Deputy R. Catano #[redacted] assigned to Temple Sheriff's Station. Deputy Catano was wearing a complete short sleeve Sheriff's Department Class A patrol uniform. [redacted] told investigators he does not hear very well.

[redacted] arrived at Temple Sheriff's Station on March 20, 2017, at approximately 0640 hours for his scheduled appointment with Detective Vance regarding a [redacted].

[redacted] told a female employee working the lobby counter of his appointment and sat down on one of the plastic metal chairs against the south wall, just right of the lobby front door. [redacted] sat in the chair closest to the front counter, furthest from the lobby door.

[redacted] said, over time, other men came into the lobby and sat in the chairs next to him. He noticed a man in a black cowboy hat enter the lobby (hereafter referred to as the Suspect), talk to an individual at the front counter, appear to hand them something, possibly an identification card, then walk outside. [redacted] could not differentiate if the Suspect was Hispanic or white. [redacted] didn't notice anything unusual about the Suspect's behavior and described him as acting "normal."

After the Suspect went outside, approximately 2-3 minutes later, [redacted] saw two (2) deputies came into the lobby from the interior of the station, then walk outside through the lobby front door. [redacted] heard the deputies speaking to each other in English, but didn't understand their conversation.

After the deputies went outside, sometime later, [redacted] said he heard loud noises he thought were possibly gunshots. He did not know how many shots he might have heard. [redacted] admitted he has never heard live gunshots before.

After the loud noises, [redacted] said station personnel directed him and the other people in the lobby to move to the hallway north of the front counter. He said they were subsequently led to a large room in the interior of the station. *It should be noted, from the hallway [redacted] moved to, an individual can't view the parking lot area of the station.*

[redacted] never came to the front lobby windows or went outside of the lobby during this incident. [redacted] possessed a cellular telephone with a camera during this incident. He did not utilize his telephone to digitally record this incident. He did not see anyone else record this incident with any device.

[redacted] had nothing further to add and the interview was ended.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1459 hours, Investigators spoke with Witness [redacted] at the Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this case file. The following is a brief summary [redacted] statement to Investigators.

At the beginning of this interview, [redacted] asked investigators to speak loudly, telling them he has hearing problems. [redacted] was wearing visible hearing aids.
[redacted] had made an appointment with Detective Vance for the date of this incident at 0700 hours for his [redacted]. He drove his personal vehicle ('00 Honda Accord 4door White CA LIC# [redacted] and parked in the front parking lot of Temple Sheriff's Station, arriving at 0650 hours.

[redacted] entered the station lobby and contacted a person at the front counter, notifying them his reason for being there. [redacted] was subsequently contacted by Detective Vance, who obtained his identification and asked him to wait in the lobby until he returned. [redacted] sat and waited on one of the plastic metal chairs against the south wall of the lobby, right of the lobby entry door. He believes it was the third chair from the windows. He could see "perfectly well" into the parking lot area from where he was seated.

Approximately 10-15 minutes later, while still seated in the lobby, [redacted] saw three (3) deputy sheriff's walking "real fast" through the lobby. [redacted] said the deputies had there complete uniforms on. He did not hear any conversation between the deputies. The deputies pace, walking through the lobby, made [redacted] think "something must be wrong or somethings must be happening in the parking lot." As soon as the deputies exited the lobby through the front door, [redacted] saw a man in a black jacket (hereafter referred to as the Suspect), standing outside the lobby entry door, run to the parking lot area. Prior to the deputies walking outside, [redacted] noticed the Suspect pacing back and forth on the pathway outside the station lobby entrance. [redacted] never saw the Suspect enter or exit the station lobby.

[redacted] saw the Suspect run westbound through the parking lot, but his path of travel was cut-off by one of the deputies. [redacted] saw the Suspect then attempt to run north bound through the parking lot, but due to the tall retaining wall between the parking lot and Las Tunas Drive, he was unable to exit the lot. [redacted] saw the Suspect then attempt to run eastbound through the parking lot, behind the vehicles parked in the northern parking spaces, but his path of travel was cut-off by another deputy. [redacted] never heard the deputies give the suspect any commands.

When [redacted] saw the Suspect begin to run, he stood up from his seat in the lobby and got inches away from the windows at the lobby entrance. [redacted] did not go outside or leave the lobby at any time during this incident.

[redacted] saw the Suspect had nowhere to go and approach a SUV, the SUV was backed into a parking space, front end facing south, rear end facing north. The SUV was parked one space east of [redacted] white Honda Accord. [redacted] saw the Suspect open the passenger side rear door of the SUV and "dive" into the back seat, then close the door halfway, then open the door again. The Suspect's behavior made [redacted] believe he "was going for his gun."

Shortly after the Suspect entered the vehicle, [redacted] saw a deputy on the west end of the parking lot fire one round from a pistol in the direction of the Suspect. After firing the one round, [redacted] saw the deputy back up in a southwesterly direction, out of his view. [redacted] saw smoke, he believed was generated from the shooting of a gun, coming from the area where the deputy retreated to, believing the deputy continued to shoot at the Suspect as he backed up. [redacted] saw a second source of smoke, he believed was generated from the shooting of a gun, coming from the same area. He believed an additional deputy, he could not see, was also shooting at the Suspect from the same area. [redacted] heard 4-5 rapid gunshots, possibly more. He believed those gunshots possibly came from more than one gun and believes they may have come from different calibers, loads, or weapons, based on the sound of the gunshots he heard.

After hearing the gunshots, approximately five (5) seconds later [redacted] saw a deputy move around the front of the Suspect's vehicle and fire a single shot through the windshield, a couple of inches above the windshield wipers. The deputy's back was to [redacted] when this occurred and he believes he could not identify the deputy if asked to.

Investigators provided [redacted] with a map of the parking lot hand drawn in Investigator's notes. Investigators asked him to indicate on it where this deputy was when he fired at the suspect. [redacted] pinpointed the deputy was approximately in the center of the parking lot, between the north and south facing parking spaces. [redacted] pinpointed the deputy was slightly southeast of the Suspect's vehicle, shooting in a northwesterly direction.

[redacted] yelled to the counter/desk personnel, "Deputy needs assistance, shot fired."

After the deputy shot throw the windshield, [redacted] did not see or hear any additional gunfire.

[redacted] saw approximately 10-12 deputies enter the front lobby area from the interior of the station. [redacted] saw several of those deputies armed with AR-15 type rifles and shotguns and they exited the lobby, taking positions around the Suspect's vehicle. [redacted] said a deputy told him to move away from the windows, to the hallway leading north from the front counter. He was subsequently escorted to a large room in the interior of the station.

[redacted] possessed a cellular telephone with a camera during this incident. He did not utilize his telephone to digitally record this incident. He did not see anyone else record this incident with any device.

[redacted] had nothing further to add and the interview was ended.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1530 hours, Investigators spoke with Witness [redacted] at the Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this case file. The following is a brief summary [redacted] statement to Investigators.

[redacted] is an employee of [redacted] [redacted] was in the Temple Sheriff's Station parking lot at the time of this incident because [redacted] [redacted] was there with an additional employee of [redacted] There were two other individuals, [redacted] and [redacted] present with [redacted] regarding [redacted] but they are [redacted].

[redacted] met those individuals for the first time at Temple Sheriff's Station on the day of this incident.

[redacted] arrived at the station at approximately 0700 hours on March 20, 2017. He drove his personal vehicle to the station, but parked it in the Kmart shopping center parking lot next door (east of the station).

[redacted] was in the station parking lot inspecting the pending job site, southwest corner of the parking lot nearest the generator pad and the cellular tower. [redacted] attention was drawn to a 20 – 30 year old Caucasian man (hereafter referred to as the Suspect) who was running from the station entrance area. [redacted] saw the Suspect was wearing a red shirt, possibly plaid, and blue pants. [redacted] saw several deputy sheriff's, in full uniform, chasing the man. [redacted] heard the deputies yell to the Suspect, "Stop, Stop, Get on the ground, Get on the ground." [redacted] heard the deputies give the suspect commands continually during this incident. [redacted] saw the Suspect ignore the deputies commands and continue to run. [redacted] heard, who he thought was a deputy say, "taze him." [redacted] could not describe or differentiate which deputy said this. [redacted] did not see anyone "taze" the Suspect.

[redacted] saw the Suspect running towards him and his co-workers, along the southern end of the parking lot, in a westerly direction. [redacted] saw the Suspect "make a right hand turn," running northbound and approach a blue SUV. [redacted] saw the SUV was backed into a parking space, front end facing south, rear end facing north. [redacted] saw the Suspect try to open the rear passenger side door, but his hand slipped off of the door handle on his first attempt. [redacted] saw the Suspect open the door on his second try and "jump" into the backseat area. [redacted] saw a "shorter" deputy almost make contact with the Suspect right before he jumped into the backseat area. Once the Suspect was in the backseat area of the SUV, [redacted] heard some additional commands from unidentified deputies, "Let me see your hands, Let me see your hands." [redacted] could not see the Suspect, or any portion of him, once he was in the SUV.

When [redacted] saw the Suspect make entry into the SUV, he became concerned for his safety and ran south from his position towards the north wall of the station, and hid behind the bushes that traverse east – west along that wall. As [redacted] was running, with his back to the Suspect, he began to hear gunshots. Once [redacted] was behind the bushes, he turned back around towards the Suspect, and saw the "shorter" deputy firing his handgun towards the Suspect, he could see smoke coming from his gun. [redacted] saw the "shorter" deputy continue to fire at the Suspect and back up at the same time, in a southwesterly direction. He saw that deputy stop and take cover behind a large grey Ford truck, which was parked two spots west of the SUV the Suspect was in. Once that deputy took cover, [redacted] saw him drop a magazine from his handgun to the ground and reload his handgun. [redacted] saw additional deputies in his right peripheral, but was focused on the "shorter" deputy who was in his line of sight.

[redacted] possessed a cellular telephone with a camera during this incident. He did not utilize his telephone to digitally record this incident. He did not see anyone else record this incident with any device.

[redacted] had nothing further to add and the interview was ended.

INTERVIEW [redacted]

On March 20, 2017, at approximately 1610 hours, Investigators spoke with Witness [redacted] at the Temple Sheriff's Station. Also present during this interview with [redacted] were the following people: Sergeant Anthony Easter and Sergeant Paul Valle of the Sheriff's Department's Internal Affairs Bureau. The interview with [redacted] was recorded, a copy of which will become a permanent part of this case file. The following is a brief summary [redacted] statement to Investigators.

[redacted] arrived at the Temple Sheriff's Station at approximately 0700 hours the morning of this incident. [redacted] was at the station working for a company that received a contract to upgrade the land-mobile radio antenna system for Los Angeles County police and fire agencies.

[redacted] met [redacted] and [redacted] to this [redacted] in the parking lot. After a period of time, [redacted] noticed a blue SUV drive into the station parking lot and park a couple spaces away from his gray Ford truck. [redacted] saw the driver (hereafter referred to as the Suspect) of the blue SUV back the vehicle into the parking space, rear end facing north, front end facing south. [redacted] saw the Suspect exit the car, wearing a black cowboy hat, and enter the station lobby.

[redacted] was performing work duties on the south side of the parking lot, near the parking spaces reserved for electric vehicle charging. After a period of time, [redacted] attention was drawn to the front door of the station. He saw the Suspect "bolt" out the front doors of the station lobby, appearing to be running away from someone. The Suspect cleared the steps in front of the lobby doors and the pathway below the steps, and run westbound into the parking lot. [redacted] saw 5-6 Deputy Sheriff's exit the station lobby and quickly the Suspect (described as not a full sprint, but not walking either).

[redacted] could see the Suspect's eyes were "huge," and he appeared "excited." As he was running, [redacted] saw the Suspect "tossed off" his cowboy hat with his left hand. After he tossed off his cowboy hat, [redacted] saw the Suspect run northbound towards his SUV. [redacted] saw the deputies quicken their pace when the Suspect ran towards his SUV, believing the deputies became more concerned when he did. [redacted] did not see any of the deputies with un-holstered handguns at this time.

[redacted] saw the suspect running so fast, he overshot the passenger side rear door of the SUV, as he appeared to reach for it. [redacted] saw the Suspect had to stop, and return back to the passenger side rear door of the SUV. [redacted] was surprised and thought it was strange when he saw the Suspect open the passenger side rear door of the SUV. [redacted] thought this behavior, entering the vehicle through the passenger side rear door, was completely odd and inappropriate for a person trying to escape from the police. [redacted] did not believe the Suspect was trying to escape, he believed the Suspect was trying to retrieve a weapon. Once the Suspect was in the backseat area of the SUV, [redacted] saw the deputies begin to quickly position themselves around the SUV, and heard someone loudly say, "Taze him, taze him."

When [redacted] saw the Suspect had entered the SUV through the passenger side rear door, the door didn't close all the way. [redacted] thought either a deputy prevented the door from closing or one of the Suspect's legs might have prevented it from closing. [redacted] could not see the Suspect in the back seat of the SUV because of its tinted windows. Shortly thereafter, [redacted] heard someone loudly say, "Shoot him, Shoot him."

After hearing the "Shoot him" command, [redacted] became concerned for his safety, turned around, and began to run towards the northern exterior wall of the station, near a planter. With his back to the Suspect and the deputies, seconds later [redacted] heard 15-20 gunshots. [redacted] believed the gunshots were all from the same caliber firearm, he believed the tone of the gunshots were the same. [redacted] also believed the gunshots came from more than one gun. [redacted] did not see anyone shoot a gun.

After hearing the gunshots, [redacted] directed the sub-contractors he was working with to seek cover near the radio tower. [redacted] realized there was no protection near the planter he originally intended to move to, so he sought cover behind a Toyota Prius parked on the south side of the parking lot. [redacted] heard commands being made to the Suspect and possibly conversations between deputy personnel in the parking lot, saying it was not silent after the gunshots, but he could not remember what specifically was said to whom.

While there, approximately 10-15 seconds after the first group of shots, [redacted] positioned himself at the rear trunk area of the Toyota Prius for his protection, he heard an additional 10-15 gunshots. He did not see any one shoot a gun. After hearing those gunshots, [redacted] saw additional Deputy Sheriff personnel exit the station into the parking lot. At this time [redacted] attention was drawn to an unidentified Deputy Sheriff who was standing near the south end handicap parking space. That Deputy said to [redacted] "You guys, come on, come on, come on." [redacted] directed the sub-contractors to follow him in an easterly direction along the south curb line of south end parking spaces and into the station lobby area.

[redacted] told Investigators he thought it was odd the Suspect tossed off his cowboy hat when he was running away from deputy personnel. He thought the Suspect possibly did this because it would be easier for him to get into the back seat of the SUV when he entered it.

[redacted] possessed a cellular telephone with a camera during this incident. He did not utilize his telephone to digitally record this incident. He did not see anyone else record this incident with any device.

It should be noted, [redacted] told Investigators he has [redacted] [redacted] told investigators he is familiar with firearms, regularly shoots them, and was a [redacted] Investigators did not verify this statement.

[redacted] had nothing further to add and the interview was ended.

PRELIMINARY INFORMATION

On March 20, 2017, at 1000 hours, Sergeant Morales and Detective Blagg arrived at Temple Sheriff's Station, located at 8838 Las Tunas Drive, in Temple City to assist Investigators Louie Aguilera and Marc Boisvert with the investigation into an assault on deputies from Temple Sheriff Station that concluded in a deputy-involved-shooting.

Investigators were briefed by Temple Sheriff's Station Deputy Jeremiah Song #[redacted] Unit 51 Dayshift, of the chain of events that culminated in the deputy-involved-shooting. Investigators learned the suspect of this incident was Andrew Lane (D.O.B. 03-13-1970) who resided at [redacted] The handling investigators tasked Sergeant Morales and Detective Blagg with executing a search warrant on Lane's residence and recovering any pertinent evidence.

SEARCH OF SUSPECT'S APARTMENT

Investigators learned Temple Sheriff's Station Detective Kirk Cardella #[redacted] was authoring the search warrant for the suspect's residence. At approximately 1145 hours, the Honorable Judge Roy Delgado of the El Monte Superior Court signed a search warrant authorizing a search of the suspect's apartment and vehicle.

On March 20, 2017, at approximately 1215 hours, members of the Sheriff's Department Special Enforcement Bureau (Tan Team), and Temple Sheriff's Station detectives assisted investigators with the service of the search warrant at the suspect's residence, [redacted] Forensic Identification Specialist Mike Bayer #[redacted] arrived to assist investigators with documentation of the evidence. Investigators noted the apartment was unoccupied.

On the sidewalk in front of the suspect's apartment complex, Sergeant Morales contacted [redacted] and her [redacted] [redacted] identified herself as the [redacted] She learned of the shooting in front of Temple Sheriff's Station and drove to the suspect's apartment. [redacted] and [redacted] were subsequently transported to Temple Sheriff's Station to be interviewed by investigators.

Investigators were assisted with searching the residence by the following personnel:

- Detective Kirk Cardella #[redacted]
- Detective Stephen Cabrera #[redacted]
- Detective Juan Rivera #[redacted]
- Deputy Moises Garcia #[redacted]
- Deputy Marco Palmieri #[redacted]

Investigators noted the suspect's residence was a one-bedroom apartment located on the upper floor of a two story apartment complex. The apartment was situated on the southwest corner of the complex. Investigators noted the overall appearance of the apartment was unkempt and dirty. The apartment's living room was cluttered with workout equipment, fish tanks, boxes and furniture. Investigators also noted several kitchen cabinet handles were tied together with white plastic zip-ties. Special Enforcement Bureau deputies cut the zip-ties, however nothing of note was found inside of the cabinets.

Investigators also noticed a kitchen knife above the doorway leading into the northwest bedroom and another knife above the doorway leading out of the bedroom. The bedroom was cluttered with clothing, boxes, furniture and other personal items. Investigators noted a pellet rifle in the northeast corner of the room.

On the floor of the east/west hallway, outside of the bathroom doorway, investigators located a blue plastic storage bin. Sergeant Morales recovered a Southern California Edison envelope (**Evidence item GM-1**) from inside the storage bin. The envelope was addressed to the suspect.

Along the east wall of the bedroom investigators located a dresser. Inside of the second dresser drawer from the top, investigators recovered a lanyard (**Evidence item GM-2**) that had several identification cards clipped to it. The cards were (3) "SWAT Force Protection" identification cards in the name of "Andrew J. Lane" and the suspect's photograph, (1) additional "SWAT Force Protection" with no name or photograph.

Investigators recovered a DVD case (**Evidence item GM-3**) from atop of a plastic shelving unit located along the bedroom's east wall. The DVD case was titled "*Practical Shooting*," and contained the following; (3) DVD's titled "*The Combat Shotgun*," "*Combat Riflecraft*," "*Force on Force Handgun Drills*," and (2) CD's with the following handwritten titles, "*Weapons Manuals*," "*Sniper Maneuvers*."

Investigators located a clear plastic case on the floor of the bedroom. On top of the case, Sergeant Morales recovered a box of business cards (**Evidence item GM-4**) that contained business cards that read, "SWAT Hostage Rescue Team, A. Lane," or read, "SWAT Force Protection, A. Lane," and a patch that read, "United States of America."

Also on the floor of the bedroom investigators located a black gym style bag. From inside of the bag, Sergeant Morales recovered three cell phones (**Evidence item GM-5**).

Investigators noticed a coffee-style table in the middle of the bedroom. The table was cluttered with a television and miscellaneous personal items. Sergeant Morales recovered another cell phone (**Evidence item GM-6**), Polaroid pictures (**Evidence item GM-7**), and a live shotgun shell (**Evidence item GM-11**) from the table. The Polaroid pictures depicted the suspect and other males holding guns.

Inside of the bedroom's closet, investigators located a brown rifle case. Inside of the case was an unloaded "Smith & Wesson" bolt action rifle, serial number PN41173 (**Evidence item GM-8**). Investigators later ran the rifle's serial number through the Automated Firearm System (AFS) and learned it returned with no record on file. Also, investigators recovered two jackets (**Evidence item GM-9**) that were hanging inside of the closet. One of the jackets had a patch on both shoulders and left chest area that read, "Ultimate Protective Services." The other jacket had a patch of the left chest area that read, "Fugitive Recovery Agent."

Adjacent to the closet was a built-in shelving unit. On the second shelf from the top, investigators located a gray lockbox. The lockbox contained two identification cards (**Evidence item GM-9**). The first card read, "Fugitive Recovery Agent from SWAT FPT." The card was in the name of "Andrew J. Lane" with a photograph of the suspect. The second card read, "Response Team Fugitive Rendition," and was in the name of "Agent AJ Lane."

Along the north wall of the bedroom, investigators located a large gray plastic storage bin. Inside of the bin, investigators recovered a Dealer Report of Sale document (**Evidence item GM-12).** The document, dated July 20, 1992, detailed the sale of a "Beretta" .380 caliber pistol, serial number F11717Y to the suspect. Investigators later checked AFS and learned this firearm was transferred to a person named [redacted] residing at [redacted] The date of the transfer was September 17, 2016.

On the lid of the gray plastic storage bin, Sergeant Morales recovered a plastic bag containing multiple homemade law enforcement/medical identification cards in the suspect's name (**Evidence item GM-13**).

Sergeant Morales recovered a black jacket (**Evidence item GM-14)** hanging off the door that separates the living room and the east/west hallway. The jacket had "Fugitive Recovery Agent" printed on the front and back of the jacket.

A pre search and post search video was conducted by Temple Sheriff's Station Sergeant Ron Miranda [redacted] The video was later given to Investigators Aguilera and Boisvert.

INTERVIEW WITH [redacted]

Sergeant Morales and Detective Blagg returned to Temple Sheriff's Station and were directed by the handling unit to interview the suspect's brother, [redacted] [redacted] was at the station awaiting to be interviewed.

On March 20, 2017, at approximately 1450 hours, investigators spoke with [redacted] [redacted] inside a room at the station's detective bureau. The interview was audio recorded and is summarized/paraphrased as follows.

[redacted] [redacted] told investigators the suspect was the oldest of three siblings. Their parents, [redacted] [redacted] raised their children, he, Andrew, and [redacted] in a middle class neighborhood in [redacted] He said their childhood was seemingly normal.

He said that both the suspect and [redacted] were adopted at a very young age. Although they were both adopted the suspect and [redacted] were not blood related. [redacted] [redacted] described the suspect as being very popular and charming in high school. He also described him as being unmotivated and exhibited severe mood swings. While in high school the suspect experimented with drugs and alcohol which led him to get into trouble. The suspect eventually dropped out of high school and his parents entered him into several recovery centers.

Several years ago, the suspect went to prison for an incident involving an underage girl. From past conversations with the suspect, [redacted] [redacted] felt his brother had a negative experience in prison and was adamant about not wanting to go back to prison.

[redacted] [redacted] said the suspect was fearful and was distrustful of law enforcement officers. The suspect worried that officers were going find something on him to send him back to jail. His disposition about law enforcement officers caused him stress every year as the day approached when he would have to register as a sex offender.

He said the suspect, prior to serving time in prison, worked as a bail recovery agent and had also worked security jobs. [redacted], [redacted] said his brother currently worked as a carpet cleaner, had obtained his GED and had studied to become an Emergency Medical Technician (EMT).

[redacted] [redacted] told investigators that he last spoke to the suspect about a week ago over text. From their text conversation, the suspect appeared happy because he was going to take his final exam at UCLA to become a licensed EMT.

Investigators asked if he knew the suspect possessed any firearms. He said prior to his criminal conviction the suspect possessed many handguns, rifles and shotguns.

According to [redacted] [redacted] the suspect never attempted suicide in the past, although he spoke about being [redacted] during his time in prison.

[redacted] [redacted] had nothing further to add, and the interview was ended.

INTERVIEW WITH [redacted]

On March 20, 2017, at approximately 1535 hours, investigators contacted witness [redacted] who was being sequestered inside of Temple Sheriff's Station. The interview was audio recorded and is summarized/paraphrased as follows.

[redacted] said he worked for [redacted] which is based in [redacted] He is an [redacted] and was checking on a job site. The location of the [redacted] was the front parking lot of Temple Sheriff's station. The job entailed removing a concrete pad that was located on the west end of the front parking lot.

[redacted] said he arrived at the parking lot at 0700 hours and parked his work truck in the "K-Mart" parking lot, which is adjacent to the station. He was in the parking lot with three other construction workers.

[redacted] and the other males were standing on the west end of the parking lot looking at the concrete pad. [redacted] was facing west when he heard someone say, "TASE him." He turned around and saw a male running from the front doors of the station. He described the male (suspect) as White, possibly Hispanic, wearing a blue sweat shirt and blue pants. The suspect was running in a northwesterly direction and was being chased by three deputies. As the suspect was running toward his direction, [redacted] noticed the suspect was wide-eyed and appeared scared. The suspect, as he neared [redacted] and the group of construction workers, suddenly veered north toward a dark blue "Trail Blazer" truck. [redacted] described the truck as being parked on the north side of the station parking lot and backed into a parking stall.

[redacted] said the suspect was being chased by an Asian deputy, followed by two other deputies. [redacted] did not know what the other two deputies looked like. He recognized the three deputies as being law enforcement officers because each one of them were wearing uniforms. [redacted] described the deputies' garb as a tan shirt, with patches on each shoulder, and green pants. He believed each deputy was wearing their gun belt.

[redacted] said the Asian deputy was about ten feet behind of the suspect and he (the deputy) had his TASER drawn. Investigators asked [redacted] how he knew the deputy was holding a TASER. He said the object in the deputy's hand had yellow markings and did not appear to him to be a "standard handgun."

The suspect ran to the passenger's side of the blue Trailblazer and grabbed the door handle to the vehicle's front right passenger door. [redacted] said the suspect struggled to open the vehicle's door and [redacted] assumed the door may have been locked. The suspect moved over to the rear right passenger's door and opened it. He said the suspect then dove head first into the vehicle's rear seat area.

[redacted] said the Asian deputy chased the suspect almost to the blue Trailblazer and was about ten feet away from the front passenger's side of the truck when the suspect dove into the rear seat area. [redacted] said he heard one of the deputies yell "gun" and saw the deputies begin shooting at the suspect as he was in the midst of diving into the rear seat. He was unsure where the second and third deputy, who he initially saw chasing the suspect, were standing when the shooting began.

As the deputies fired their first volley of gunshots at the suspect, [redacted] was attempting to hide for cover behind a palm tree. He said he dropped his notebook folder to the ground as he was attempting to find cover. He was unable to see what the suspect was doing from his vantage point. He said he heard ten gunshots being fired during the first volley. He then said there was a brief pause. [redacted] said one of the deputies that initially chased after the suspect ushered him and the other construction workers into the station through the front doors. As he was inside of the station, [redacted] heard the second volley of gunfire. He was unsure how many rounds were fired during the second volley of gunfire. [redacted] was unsure if there was a third volley of gunfire.

Investigators asked [redacted] he was standing in the area of where he dropped his notebook folder when he made his initial observations. He said he was about 5 to 10 feet south of where he dropped his notebook when he made his observations.

[redacted] had nothing further to add, and the interview was ended.

INTERVIEW WITH [redacted]

On March 20, 2017, at approximately 1600 hours, investigators contacted witness [redacted] who was being sequestered inside of Temple Sheriff's Station. The interview was audio recorded and is summarized/paraphrased as follows.

[redacted] told investigators that he worked for [redacted] based in [redacted] He was assigned to a job site located in the front parking lot of Temple Sheriff's Station. He said the job entailed retrofitting and upgrading the station's existing communications system. He arrived at the parking lot a little after 0600 hours and parked his white Volkswagen Jetta in the lot's most eastern parking stall.

[redacted] said sometime after he arrived, the other construction workers began to show up. Around 0700 hours [redacted] noticed a blue Chevy Trailblazer enter the parking lot and back into a parking stall located along the north side of the lot. The driver of the Trailblazer exited the truck and walked into the station.

[redacted] said that about 15 to 20 minutes later, he and the other construction workers were standing near the concrete pad located on the west side of the station front parking lot when he saw a male running out of the front entrance to the station. The male was the same person he saw earlier exit from the blue Chevy Trailblazer. [redacted] described the male (suspect) as White and wearing dark clothing. The suspect was running west toward through the parking lot and toward he and the other workers. As the suspect was running, [redacted] noticed he (suspect) was slightly hunched over, was wide-eyed and appeared very scared.

[redacted] saw that the suspect was being chased by a deputy. He only focused on the deputy who was the closest to the suspect, however he knew other deputies were also chasing the suspect because he heard more than one voice behind the suspect.

[redacted] said he knew the deputy, who was chasing the suspect, was a law enforcement officer because he was wearing a sheriff's uniform and he was armed with a TASER. He said he knew it was a TASER because it looked like a toy gun and it was florescent yellow in color.

The pursuing deputy was about 15 to 20 feet behind the suspect as he turned north and ran toward the blue Trailblazer. The suspect ran to the right rear passenger's side of the vehicle. He initially fumbled with the door handle to open the rear passenger's door. He then heard someone say, "TASE him. TASE him. TASE him." The suspect was able to open the rear passenger's door. [redacted] said his attention was then diverted to other pursuing deputies and does not know in what manner the suspect got into the rear seat.

[redacted] said he did not see the TASER being deployed. He surmised that the deputies did not have any opportunity to deploy the TASER because they did not have an "angle" to use it on the suspect before he entered the vehicle. Because the Trailblazer's windows were tinted, [redacted] said he could not see what the suspect was doing inside of the vehicle.

The rear passenger's door to the vehicle closed. [redacted] saw other deputies exiting out of the station and saw the other three construction workers running for cover behind some bushes. He too decided that he should find cover and turned to run and follow the other workers. He said he took three steps and turned around toward the Trailblazer and heard someone yell "Shoot him. Shoot him. Shoot him." [redacted] was not sure, but he believed he either heard the statement, "Shoot him," first and then heard gunfire erupt or the two events happened simultaneously. [redacted] said he heard about ten gunshots fired, a brief pause and then heard a second volley of gunshots.

The deputy that initially had the TASER was positioned on the passenger's side of the Trailblazer and was firing his gun into the right rear passenger's window. The other deputies were positioned on the driver's side of the vehicle. He said as the gunfire was occurring, other deputies were ushering he and the other construction workers into the station via the front doors.

[redacted] had nothing further to add, and the interview was ended.

Investigation continuing, further reports to follow.

PRELIMINARY INFORMATION:

On Monday, March 20, 2017, at approximately 0830 hours, Investigators Marc Boskovich and Donna Cheek were detailed to 8838 Las Tunas Drive, Temple City, to investigate the circumstances surrounding the deputy involved shooting of an armed suspect. Investigators were advised they would be assisting the handling Homicide Detectives, Louie Aguilera, #[redacted] and Marc Boisvert, #[redacted] in the shooting investigation.

Investigators were briefed by Temple Station Deputy Jeremiah Song, [redacted] assigned to Unit 51, Day shift, regarding the chain of events that culminated in the deputy involved shooting.

Investigators Boskovich and Cheek were tasked with documenting and collecting evidence in the parking lot of the Temple Sheriff Station where the shooting occurred.

Forensic Identification Specialists, Zaira Avalos, #[redacted]and Mike Bayer, #[redacted] from the Los Angeles County Sheriff's Department, Latent Print Section, were assigned to assist in the documentation of the scene. Firearm experts, Anny Wu, #[redacted]and Steve Shiraishi, #[redacted] were also assigned to assist in the documentation and collection of evidence. Any evidence referred to as a (***Firearm Evidence Item***) will be documented on a supplemental report by Firearm Expert Anny Wu.

SCENE:

Investigators viewed the crime scene and observed the parking lot of Temple Sheriff Station had been cordoned off with yellow crime scene tape. Las Tunas Drive had been cordoned off with yellow crime scene tape between Muscatel Avenue to the west and Rosemead Boulevard to the east. Las Tunas Drive was an east/west street and had three lanes of travel in each direction separated by a painted or raised curb median.

There was a sidewalk and curb parking on the north side of Las Tunas Drive. There were numerous business on the north side of Las Tunas Drive. The addresses of the businesses from west to east were: 8829, 8831, 8833, 8835, 8837, 8837 ½, 8839, 8841, and 8841 ½. There was one surveillance camera that appeared to face south toward the sheriff station at 8837 ½ Las Tunas Drive, "Montana Bail Bonds." There were two black and white patrol vehicles, SD6182 and SD6139, parked blocking the driveway apron east of 8841 ½ Las Tunas Drive. The patrol vehicles responded after the assistance request and were not present at the time of the Deputy Involved Shooting.

Sheriff vehicle SD6182, CA license 1285438, Ford Police Interceptor, black and white in color with light bar attached to the roof, and Sheriff emblems on the doors, assigned to Deputy Song, was parked near the west side of the driveway apron leading to 8841 ½ Las tunas Drive, facing west. The passenger area of the vehicle contained a shotgun, Remington, Model 870, secured in the shotgun side of the rifle rack. The shotgun was loaded with four double 00 buck shotgun shells in the magazine tube, four double 00 buck shotgun shells attached to the side rail, and a nylon sleeve containing six shotgun slugs. The area of the rifle rack designated for the AR-15 was empty. Deputy Song told Investigator Boskovich, he deployed the AR-15 rifle and secured the rifle and vest carrier inside the Chevy Tahoe assigned to Unit 50S, after being reassigned to the command post. The trunk contained a large equipment bag, a gas mask, an ammo bag, and a file folder.

Sheriff vehicle SD6139, CA license 1285220, Ford Police Interceptor, black and white in color with light bar attached to the roof, and Sheriff emblems on the doors, assigned to Deputy Chico, was parked near the east side of the driveway apron leading to 8841 ½ Las Tunas Drive, facing west. The passenger area of the vehicle contained a shotgun, Remington, Model 870, secured in the shotgun side of the rifle rack. The shotgun was loaded with four double 00 buck shotgun shells in the magazine tube and no rounds in the side saddle. The area of the rifle rack designated for the AR-15 was empty. Inside the passenger compartment, there was a small ammo bag and a seat organizer containing a posse box and maps. The trunk contained a large equipment bag, an empty rifle case, and a file box.

There was a sidewalk on the south side of Las Tunas Drive, however, the south curb was painted red with no parking signs posted.

Temple Sheriff Station was located on the south side of Las Tunas Drive between the Eaton Wash located to the west side of the station and a large retail shopping center located to the east of the station. There were three separate driveways that led to different areas of the sheriff station. There was a private driveway on the west side of the station between the Eaton Wash and the public parking lot which continued south from Las Tunas Drive to a secured parking lot, south of the station. There was a private driveway on the east side of the station between a large retail center and a walkway leading to the public parking lot which continued south from Las Tunas Drive to a secured parking lot, south of the station. There was a public driveway which continued southwest from Las Tunas Drive to a public parking lot designated for visitors to Temple Sheriff Station located between the driveways that led to the secured parking lot on each side of the station There were two patrol vehicles, SH1889 and SH6031, parked near the east driveway and two patrol vehicles, SD7064 and SH1843, parked near the driveway apron of the public parking lot. All four patrol vehicles responded after the assistance request and were not present at the time of the Deputy Involved Shooting.

Sheriff vehicle, SH1889, CA license 1326875, Ford Police Interceptor, black and white in color with light bar attached to the roof, and Sheriff emblems on the doors, unassigned, was parked in the driveway, south of the sidewalk, facing north. The passenger area of the vehicle contained a shotgun, Remington, Model 870, secured in the shotgun side of the rifle rack. The shotgun was loaded with four double 00 buck shotgun shells in the magazine tube and four shotgun slugs in the side saddle. There was an AR-15 rifle with loaded magazine also secured in the rifle rack. There was a Taser near the base of the rifle rack. There was a bulletproof shield leaning against the right front quarter panel of the vehicle.

Sheriff vehicle, SH6031, CA license 1489788, Ford Explorer, black and white in color with light bar attached to the roof, and Sheriff emblems on the doors, assigned to Deputy Jackson, was parked north of the driveway facing south east. The passenger area of the vehicle contained a shotgun, Remington, Model 870, secured in the shotgun side of the rifle rack. The shotgun was loaded with four double 00 buck shotgun shells in the magazine tube and four shotgun slugs in the side saddle. The area of the rifle rack designated for the AR-15 was empty. There was a seat organizer attached to the right front passenger seat The rear cargo area contained a large equipment bag and cones. There were six aluminum ladder sections leaning against the left rear quarter panel. There was a red crate containing several nylon belts each containing twelve 40mm rounds on the ground near the left rear quarter panel. There was a red crate containing two "Burn Safes" and five "Tomahawk" devices, each used to deploy gas, on the ground near the left rear quarter panel. There was one round metal canister containing live flashbang diversionary devices and one round metal canister containing gas devices on the ground near the left rear quarter panel. *(The ladder sections, red crates, and round canisters were removed from the second ARV to make room for SEB personnel).*

Sheriff vehicle, SD7064, CA license #1313826, Ford Police Interceptor, black and white in color with light bar attached to the roof, and Sheriff emblems on the doors. unassigned but driven by Deputy Nelson, #[redacted] from the secured parking lot to the front in response to the assistance request. The vehicle was parked north of the driveway apron of the public parking lot facing southwest. The passenger area of the vehicle contained a shotgun, Remington, Model 870, secured in the shotgun side of the rifle rack. The shotgun was unloaded and there was no ammunition in the magazine tube or side saddle. The area of the rifle rack designated for the AR-15 was empty. There were no personnel items in the trunk.

Sheriff vehicle, SH1843, CA license #1304900, Ford Police Interceptor, black and white in color with light bar attached to the roof, and Sheriff emblems on the doors, assigned to Deputy Silva, #[redacted] parked across the driveway apron of the public parking lot, facing southeast. The passenger compartment contained a shotgun, Remington, Model 870, secured in the shotgun side of the rifle rack. The shotgun was loaded with four double 00 buck shotgun rounds in the magazine tube. There were two double 00 buck shotgun rounds and two shotgun slugs in the side saddle. The area designated for the AR-15 in the rifle rack was empty. The trunk contained a large equipment bag, a helmet bag, an ammunition bag, an outer vest, and a document pouch.

The public parking lot of the sheriff station was located between the south sidewalk of Las Tunas Drive and the north side of the Sheriff Station. The entrance to the parking lot was on the east side of the parking lot and sloped downward in a southwesterly direction. There were six marked parking stalls on the south side of the parking lot, designated for special vehicles, facing south The two eastern most stalls were designated as "Handicap" parking and were both unoccupied. The next stall to the west was designated as "Exchange Zone" and was unoccupied. The next stall to the west was designated as "Exchange Zone" and there was a Toyota, Prius, 4-door, gray in color, CA license #[redacted] facing north, plugged into an electric vehicle charging station. The next two stalls to the west were designated as "Electric Vehicle" and were unoccupied. There was a cellphone tower and a radar tower in the southwest corner of the parking lot surrounded by a chain link fence.

There were four marked parking stalls on the west side of the parking lot, facing west All four stalls were unoccupied. There was a tall chain link fence with privacy slats between the parking stalls and west private driveway that lead to the secured parking lot.

There were six marked parking stalls on the north side of the parking lot, facing north. There was a large cinder block wall between the parking stalls and the south sidewalk of Las Tunas Drive. The westernmost parking stall was occupied by a Ford, F250, Crew cab truck, gray in color, CA license #[redacted] facing south. The next stall to the east was unoccupied. The next stall to the east was occupied by the suspect's vehicle, Chevrolet, Trailblazer, SUV, 4-door, blue in color, CA license #[redacted] **(Evidence Held Item #49)** facing south. The next stall to the east was unoccupied. The next stall to the east was occupied by a Honda, Accord, 4-door, white in color, CA license #[redacted] facing north. The next stall to the east was unoccupied. The next stall to the east was occupied by a Volkswagen, Jetta, 4-door, white in color, CA license #[redacted] facing north.

There was a Sheriff "ARV" located in the middle of the parking lot, southwest of the suspect's vehicle, facing northwest **(Photo Evidence Item A)** There was a second Sheriff "ARV" located in the middle of the parking lot, south of the suspect's vehicle, facing west **(Photo Evidence Item B)**.

Sections of Temple Sheriff Station bordered the east and south sides of the public parking lot. The front door to the lobby of the station was located in the southeast corner of the parking lot. North of the front door, there was a portion of the station that bordered the east side of the parking lot. The side of the building was white painted brick with green trim. There was a walkway from the front lobby door to Las Tunas Drive, between the station and the east side of the parking lot. West of the lobby door extending from the north side of the building to the south side of the parking lot, there was a large cinder block wall. The words "Los Angeles County Sheriff's Department Temple Sheriff Station" and the Sheriff's Department badge were attached to the east side of the wall, facing east. On the south side of the parking lot, there was a portion of the station which was occupied by the secretariat, between the front door and extended west. The side of the building was white painted brick with green trim and nine window sections. The window sections were covered with metal louvers.

Investigators noted one expended 40mm rubber baton **(Evidence Held Item #1)** in the grass planter east of the parking lot, between the concrete walkway and the south sidewalk of Las Tunas Drive. Investigators noted a bullet fragment **(Evidence Held Item #2)** and six fired cartridge cases **(Evidence Held Items #3-8)**, on the concrete of the parking lot, southeast of the suspect's vehicle. Also noted were four fired cartridge cases **(Evidence Held Items #43-46)** in the dirt planter box south of the parking lot, west of the cinder block wall.

There was a black cowboy hat **(Evidence Held Item #9)**, located on the concrete of the parking lot, near the right front quarter panel of the Toyota Prius and a black leather notebook **(Evidence Held Item #24)** located on the curb between the west parking stalls and the chain link fence.

There were nineteen fired cartridge cases **(Evidence Held Items #10-23, 26-30)**, and one bullet fragment **(Evidence Held Item #25)** located on the concrete of the parking lot, southwest of the suspect's vehicle.

Investigators noted an unloaded magazine **(Evidence Held Item #31)**, on the concrete of the parking lot, near the left front quarter panel of the Ford, F250, truck.

Investigators noted a shotgun **(Evidence Held Item #33)** on the concrete in the parking stall between the Ford, F250, truck and the suspect's Chevrolet, Trailblazer, SUV. There was an expended nine pellet buckshot cartridge case in the chamber and one live nine pellet buckshot shotgun round in the magazine tube. *(The shotgun was removed from Suspect Lane's hands by SEB personnel and placed on the concrete).*

Investigators noted five bullet fragments **(Evidence Held Items #32, 34-37)**, on the concrete in the parking lot, west of the suspect's vehicle. There were bullet fragments **(Evidence Held Item #38)**, at the base of the front passenger door frame of the suspect's vehicle. There was a bullet fragment **(Evidence Held Item #39)**, on the concrete of the parking lot, west of the right rear passenger door of the suspect's vehicle. There was a bullet fragment **(Evidence Held Item #40)**, on the concrete of the parking lot, west of the right front tire of the suspect's vehicle. There was a bullet fragment **(Evidence Held Item #42)**, on the concrete of the parking lot, west of the right rear quarter panel of the suspect's vehicle.

Investigators noted an expended flashbang diversionary device **(Evidence Held Item #41)**, on the hood of the suspect's vehicle.

Investigators saw two black backpacks and a green suitcase on the concrete of the parking lot west of the passenger side of the suspect's vehicle. Investigators were told detectives from Arson Explosives Detail removed one black backpack from the front passenger seat, one green suitcase from the right middle passenger seat, and one black "SwissGear" backpack from the right rear seat of the rear row of the suspect's vehicle and searched for possible explosives based on some of the items observed inside the vehicle.

Investigator Cheek searched the black backpack previously removed from the front passenger seat and located notebooks/paperwork, a magazine for an airsoft pellet gun, an Apple laptop computer, an Apple minimac hard drive, a green canvas bag containing recordable compact discs, and several thumbdrives **(Evidence Held Item #47)**.

Investigator Boskovich searched the green suitcase previously removed from the right middle passenger seat and located metal knuckles **(Evidence Held Item #48)**

Investigator Boskovich searched the black "SwissGear" backpack previously removed from the right rear passenger seat and located a business card and a notebook from the front lower pouch, two cameras from the middle pocket, and a tactical fixed blade knife with a nylon sheath from the left side pocket **(Evidence Held Item #48)**.

Investigator Cheek searched the front area of the suspect's vehicle and located a badge holder, (2) California Driver Licenses in the name of Andrew Lane, (3) Tactical response team ID cards, and a set of metal knuckles **(Evidence Held Item #63)** from inside a small black bag on the front passenger seat. Investigator Cheek also located two cellphones **(Evidence Held Items #64-65)** from inside the same black bag.

Investigators noted the suspect's vehicle had the following damage and was documented by Firearm experts Anny Wu and Steve Shiraishi. There was a bullet impact to the driver's side windshield wiper arm ***(Firearm Evidence Item AW-A)***. There were three bullet holes in the windshield ***(Firearm Evidence Items AW-B, C, D)***. There was a bullet entry on the exterior plastic housing of the driver's side mirror ***(Firearm Evidence Item AW-E)***. There was a bullet hole in the middle of the driver's door ***(Firearm Evidence Item AW-F)***. There was bullet hole in the middle of window of the driver's door that continued and impacted the side of the driver's door ***(Firearm Evidence Items AW-G, G1)***. There was a bullet impact above the window of the left rear passenger door ***(Firearm Evidence Item AW-H)***. The left rear passenger window was shattered ***(Firearm Evidence Item AW-I)***. There were two bullet holes above the handle of the front passenger door ***(Firearm Evidence Items AW-J, K)***. There were two bullet holes below the handle of the front passenger door ***(Firearm Evidence Items AW-L, M)***. There were two bullet holes below the plastic trim molding of the front passenger door ***(Firearm Evidence Items AW-N, O)***. There was one bullet hole below the window of the right rear passenger door ***(Firearm Evidence Item AW-P)***. There was one bullet hole in the lower window frame of the right rear passenger door ***(Firearm Evidence Item AW-Q)***. There were six bullet holes above the plastic trim of the right rear passenger door ***(Firearm Evidence Items AW-R, S, T, U, V, W)***. There were three bullet holes below the plastic trim of the right rear passenger door ***(Firearm Evidence Items AW-X, Y, Z)***. There was one bullet impact on the lower window frame of the right rear window of the cargo area ***(Firearm Evidence Item AW-AA)***

Suspect Lane was lying in a supine position in the middle row of his vehicle. His head was facing east against the left rear passenger door and his feet were pointing to the west against the right rear passenger door. Suspect Lane's legs were open and bent at the knees. Suspect Lane was wearing a white t-shirt, black zippered sweatshirt, and blue denim jeans. There was a large bloodstain in the crotch area Suspect Lane's jeans. There was a pair of black goggles, upside down, around Suspect Lane's neck. Suspect Lane had a large hole underneath his chin and major trauma to the top of his head. There was an expended 40mm rubber baton **(Evidence Held Item #50)** on his stomach.

Coroner Investigator Jerry McKibben, #[redacted] responded to the location and began to process Suspect Lane's remains. Coroner Investigator McKibben removed an external hard drive **(Evidence Held Item #66)** from the right rear pants pocket of Suspect Lane, a wallet **(Evidence Held Item #67)** from the left rear pants pocket of Suspect Lane, and a small folding knife **(Evidence Held Item #68)** clipped to the right front pants pocket of Suspect Lane. The above items were released to Investigator Boskovich and later booked into evidence at Homicide Bureau.

After Suspect Lane was removed from the vehicle and placed on a gurney, Firearm Expert Wu located a bullet fragment (**Evidence Held Item #51**) on the concrete west of the suspect's vehicle.

Firearm Expert Wu also located a bullet fragment **(Evidence Held Item #52)** related to **(*Firearm Evidence Item AW-K*)**, a bullet **(Evidence Held Item #53)** related to **(*Firearm Evidence Item AW-L1*)**, a bullet **(Evidence Held Item #54)** related to **(*Firearm Evidence Item AW-N*)**, a bullet **(Evidence Held Item #55)** related to **(*Firearm Evidence Item AW-AA*)**, a bullet fragment **(Evidence Held Item #56)** on the front passenger seat of the suspect's vehicle, a bullet fragment **(Evidence Held Item #57)** on the driver's floorboard of the suspect's vehicle, a bullet fragment **(Evidence Held Item #58)** on the driver's floorboard under the driver's seat, and a gas pellet handgun **(Evidence Held Item #59)** under the driver's seat.

Detective Boisvert collected Deputies Botten, Inthavong, and Vance's duty weapons **(Evidence Held Items #60-62)** and released them to Firearm Expert Wu for examination.

CITYWIDE TOWING:

On March 21, 2017, Investigators Boskovich, Boisvert, and Aguilera attended a firearm examination at Citywide Towing, located at 9350 Lower Azusa Road, Temple City, CA 91780, by Firearm Experts Wu and Shiraishi and photographed by FIS Mike Bayer

During the investigation, Wu and Shiraishi, documented the bullet impacts, entry/exits, and the path of travel, based on the firearm evidence involving the suspect's vehicle.

Firearm Expert Wu located and documented the following firearm evidence with the assistance of Firearm Expert Shiraishi and FIS Mike Bayer:

STATEMENT OF PROBABLE CAUSE

I, Deputy Kirk J. Cardella # [redacted] (affiant), have been employed as a sworn peace officer (deputy sheriff) by the Los Angeles County Sheriff's Department for the past twenty years. For the past 7 months, I have worked in detective assignments, and am currently assigned to Temple Station detectives. As a detective, I have investigated domestic violence, assaults with deadly weapons, robberies, and other crimes against persons. I have investigated vandalism, thefts, burglaries, forgeries, and other crimes against property. I have amassed evidence in these cases, have arrested persons for these crimes, and have assisted in the successful prosecution of these persons based on that evidence.

On March 20, 2017 at about 0727 hours, a Deputy involved shooting occurred in the Temple City Sheriff Station parking lot located at 8838 E. Las Tunas Dr in the city of Temple City. The following information was provided to Your Affiant:

Has relayed the following information from the Deputies which, were involved in the officer involved shooting (Deputies Vance, Inthavong, Shue, Botten and Sgt. Long). Deputy Brian Vance contacted suspect Andrew Lane in the Temple Station lobby regarding a sex registrant update meeting. Deputy Vance asked suspect Lane for his California Driver's License, Suspect Lane produced a wallet which had two identification cards that said SWAT officer in the suspect's name with a silver badge. Immediately exited the station. Deputy Vance informed suspect Lane he would be out front in a moment. Prior to his contact with suspect Lane, Deputy Vance was aware that Suspect Andrew Lane had [redacted] Deputy Vance upon seeing that the suspect had what appeared to be Law Enforcement credentials believing the suspect may be armed and knowledge of the warrant, notified assisting Deputies Botten, Nathan [redacted] Shue, Henry # [redacted] Inthavong, Scott # [redacted] and Sgt. Long, James [redacted] who accompanied him outside to the front parking lot to contact the suspect regarding his warrant and his Law Enforcement identification. As they exited the lobby to contact suspect Lane, suspect Lane began to slowly walk backwards. The suspect turned and ran towards the passenger rear door of a 2005 Blue, Chevrolet, 4 door Trail Blazer License Plate # [redacted] (Registered to Suspect Andrew Lane) that was parked in the front station parking lot.

The suspect opened the rear passenger side door and reached inside. Deputy Inthavong immediately told the suspect to, "Show me your hands." Deputy Inthavong said he could see through the open crease of the passenger door and saw suspect lane holding what appeared to be the handle of a firearm. Fearing for his safety opened fire on the suspect.

Deputy Botten stated he engaged the suspect in the vehicle due to him seeing a rifle in the possession of the suspect. Before the suspect could engage the Deputies he also fired several rounds at the suspect.

Deputy Vance who was present heard one gunshot come from the vehicle, he returned fire towards the suspect.

Through the use of Los Angeles County Sheriff's Department resources, suspect [redacted] MW/03-13-70, CII: [redacted] was identified as residing at [redacted] in the unincorporated area of [redacted]

Through the use of Los Angeles County Sheriff's Department resources (AFIS), suspect Lane was identified as owning three firearms. Semi Auto 85F, 380 cal. Beretta pistol, Ser # F11717Y, Semi Auto Officersacp, Colt 45 cal. Pistol, Ser# DF01481 and Semi Auto 21A, Beretta 22 cal. Pistol, Ser#BES740774.

Based on the foregoing, it is my opinion that

(a) the crime of ~~murder~~ Assault RD, violation 245(a)(3) Penal Code, Assault with a deadly weapon on a peace officer (Firearm), was committed at 8838 E. Las Tunas Dr, Temple City;
(b) the items sought are seizable pursuant to Penal Code section 1524; and
(c) those items will be found at both described premises, if not located in the vehicle.

I am seeking to document both premises and surrounding areas, including but not limited to, photographs, video tape, diagrams, sketches, and crime scene measurements.

I am further seeking to identify and collect any physical or biological trace evidence, including but not limited to DNA references, such as blood, saliva, sweat, or other physiological fluids; fingerprints, footprints, and other impressions left at the scene; hair and fibers; human scent; gunshot residue; any and all instruments that may have been used to aid and abet in the commission of said crime; neglected clothing of any suspect(s) and/or victim(s); photos and film, developed and undeveloped; samples of paint, glass, and other fluid and solids that may have stained or adhered to the clothing of the suspect(s) and/or victim(s); weapons, bludgeons, knives, and guns; over-the-counter and prescription medications, medical supplies, and medical documents; any controlled substances, paraphernalia related to the use, sale, packaging, or manufacturing of controlled substances.

Additionally, I am seeking to establish the identities of all parties (victims or suspects) involved in said crime and of all persons who have dominion and control of the location, premises, automobiles, or items to be seized. Items to be seized include, but are not limited to, any and all documentation which could bear the person's name, such as delivered mail, whether inside the location or in the mail box(es), bills, utility bills, telephone bills, miscellaneous addressed mail, personal letters, personal identification, purchase receipts, rent receipts, sales receipts, tax statements, payroll check stubs, keys and receipts for safe deposit box(es), receipts for rental storage spaces, keys and receipts for post offices box(es) or mail drop rentals; ignition keys, car door and trunk keys; vehicle ownership certificates or "pink slips"; recordation of voice transmissions on telephone answering machines; audio tapes; telephone message receipt books; written phone messages; cell phones; journals; dairies; address and telephone books; computer hard drives, and photographs tending to show occupation of the residence/business and connection between the suspect(s), whether identified or unidentified; digital pagers which will document telephone numbers of the suspect(s); and examples of handwriting, including letters, address books, business records, canceled checks, notes, and lists.

I am seeking to establish the identities of all parties (victims or suspects) involved in said crime and of all persons who have dominion and control of the location by seizing and examining any and all computer hardware, which consists of all equipment which can collect, analyze, create, display, convert, store, conceal, or transmit electronic, magnetic, optical, or similar computer impulses or data. Hardware includes (but is not limited to), any mother-boards, any data-processing devices (such as chips, memory typewriters, and self-contained "laptop" or "notebook" computers); internal and peripheral storage devices (such as fixed disks, external hard disks, floppy disk drives and diskettes, tape drives and tapes, optical storage devices, thumb drives, media cards, and other memory storage devices); peripheral input/output devices (such as keyboards, printers, scanners, plotters, video display monitors, and optical readers; and related communications devices (such as modems, cables and connections, recording equipment, RAM or ROM units, automatic dialers, speed dialers, programmable mechanisms, or parts that can be used to restrict access to computer hardware (such as physical keys and locks).

Also included are any and all computer software which consists of any digital information which can be executed by a computer and any of its related components to direct the way they work, including programs to run operating systems, applications (like word-processing, graphics, or spreadsheet programs), utilities, compilers, interpreters, and communication programs. Including software used to test chips and software to direct laser equipment. Software can be stored in electronic, magnetic, optical, or other digital form.

Also included are any and all computer-related documentation described as written, recorded, printed, or electronically stored material, which explains or illustrates how to configure or use computer hardware, software, or other related items.

Also included are any and all computer passwords and other data security devices designed to restrict access to or hide computer software, documentation, or data, consisting of hardware, software, or other programming code. Data security hardware may include encryption devices, chips, and circuit boards. Data security software or digital code may include programming code that creates "test" keys or "hot" keys, which perform certain pre-set security functions when touched. Data security software or code may also encrypt, compress, hide, or "booby-trap" protected data to make it inaccessible or unusable, as well as reverse the process to restore it.

Also included are any and all cellular phones, answering machines, storage devices for answering machines, facsimile machines, used to facilitate in the commission of a crime.

Also included are any and all printed documents, any digital information which can be executed by a computer and any of its related components to direct the way they work, including programs to run operating systems, applications (like word-processing, graphics, or spreadsheet programs), utilities, compilers, interpreters, and communication programs.

I am requesting an examination of any data found on the above mentioned computer related media for the following information: email communications, instant message communications, financial records, voice mail messages, phone numbers, which might provide evidence regarding said crime, including but not limited to the identification of the parties (victim(s) and suspect(s) involved), possible motives for said crime, and the identification of additional witnesses.

I believe that a thorough examination of all seized items of computer and cellular phone evidence as described above, will lead to the discovery of additional information related to establishing a motive and ascertain any premeditation and/or preplanning. Specialized equipment and software is necessary to safely and properly image (copy) items of computer and cellular phone evidence. The process of imaging the evidence can be very time-consuming and may range anywhere from a matter of several hours to several days. Once the items are imaged, the examination process cannot be accurately estimated. However, on average, a computer and cellular phone examination may range from several days to a week or more. Therefore, I request that all seized items of computer and cellular phone evidence be removed from the premises and brought back to the Southern California High Tech Task Force for examination.

Further, I also seek permission to have the premises fingerprinted and further processed.

Further, I also seek permission to have any vehicle impounded as evidence to be searched at a later time within the secured confines of a designated Los Angeles County Sheriff's Department authorized tow yard.

I request that the search warrant may be served at any time of the day or night. Deputies are now within both described premises and no purpose would be served by having them wait until daylight hours to serve the warrant.

Report Date: April 17, 2017

Victim: -----
Subject: Lane, Andrew

On March 20, 2017, a field investigation was conducted at Temple City Sheriff's Station located at 8838 East Las Tunas Drive, Temple City. Detectives Aguilera and Bosivert requested assistance with the documentation and recovery of firearms-related evidence at the scene of a deputy-involved shooting.

Observations and Scene Examination

The area examined consisted primarily of the parking lot north of the Temple City Sheriff's Station. The main entrance to the station is located at the southeast corner of the parking lot. A blue Chevrolet TrailBlazer, CA license [redacted] was parked along the north wall of the parking lot, facing south. One male decedent was observed lying across the second row seats inside this vehicle, and a shotgun was observed on the ground, just west of the TrailBlazer. Two Sheriff's armored vehicles were observed south of the TrailBlazer. The first armored vehicle (SX1719), CA exempt 1503857, was facing northwest. To the rear of this vehicle was the second armored vehicle (SX1720), CA exempt 1503858, which was facing a general west direction. Numerous fired ammunition components were observed on the ground around these vehicles.

Several bullet holes were observed in the windshield and in the left and right sides of the TrailBlazer. The left and right rear cargo windows were not in place, but were observed on the ground nearby. The driver and front passenger windows were shattered and partially broken out. The left rear and right rear passenger windows were shattered and almost completely broken out. All of the windows were or had been in the completely up position. This vehicle was impounded to Citywide Towing located at 9350 Lower Azusa Road, Temple City and further examined on March 22, 2017.

The following bullet-related damage was observed on the TrailBlazer and assigned the indicated letters for identification. Bullet trajectories have been provided relative to the doors in the completely closed positon.

AW-A Bullet impact on the left windshield wiper arm. The bullet impacted the wiper arm and ricocheted away. The bullet traveled in a general northbound direction, but additional trajectory information could not be determined.

AW-B	Bullet hole in the lower left portion of the windshield. The bullet passed through the rubber trim and windshield and entered the dashboard (AW-B1) The bullet traveled in a northwest and slightly downward direction Bullet recovery was not attempted
AW-C	Bullet hole in the left portion of the windshield. The bullet passed through the windshield and entered the dashboard (AW-C1). Corresponding damage was observed to the instrument panel hood. The bullet traveled in a northwest and slightly downward direction. Bullet recovery was not attempted
AW-D	Bullet hole in the left portion of the windshield. The bullet passed through the windshield, impacted the top of the dashboard (AW-D1), and passed through the driver seatback (AW-D2) The bullet traveled in a northwest and slightly downward direction. No additional corresponding damage was observed.
AW-E	Bullet hole in the left side-view mirror housing. The bullet passed through the housing and mirror, passed through the driver window opening, and entered the left portion of the driver seatback (AW-E1) The bullet traveled in a northwest and slightly downward direction. Bullet recovery was not attempted.
AW-F	Bullet hole in the driver door. The bullet passed through the driver door and impacted the interior cover of the left B-pillar (AW-F1). The bullet traveled in a northwest and slightly downward direction. One fired bullet was recovered from the left rear passenger floorboard of the center row seats and assigned EV 73
AW-G	Bullet impact on the driver window The bullet impacted the window and entered the rear frame of the driver window (AW-G1) The bullet traveled in a northbound direction. slightly to the west, and slightly upward Bullet recovery was not attempted.
AW-H	Bullet hole in the top frame of the left rear passenger window The bullet entered the frame and remained within. The bullet traveled in a northwest and slightly upward direction Bullet recovery was not attempted.
AW-I	Bullet hole in the stationary window of the left rear passenger door. The bullet passed through the window and exited the vehicle. The bullet traveled in a general eastbound direction, but additional trajectory information could not be determined.
AW-J	Bullet hole in the front passenger door, above the handle The bullet entered the door and remained within. The bullet traveled in a northeast direction, but additional trajectory information could not be determined. Bullet recovery was not attempted
AW-K	Bullet hole in the front passenger door, rear of the handle. The bullet passed through the door and impacted the right B-pillar (AW-K1). The bullet traveled in a northeast direction, approximately parallel to the ground One fired bullet fragment was recovered from atop the door hinge next to impact AW-K1 and assigned EV 52.
AW-L	Bullet hole in the front passenger door, below the handle. The bullet passed through the door and entered the weather stripping (AW-L1) along the rear of the door opening. The bullet traveled in a northeast and slightly downward direction. One fired bullet was recovered from the weather stripping and assigned EV 53.
AW-M	Bullet hole in the front passenger door, below the handle. The bullet passed through the door and impacted the right B-pillar (AW-M1). The bullet traveled in a northeast and slightly downward direction No additional corresponding damage was observed.

AW-N	Bullet hole in the lower portion of the front passenger door. The bullet passed through the door, impacted the right B-pillar (AW-N1), and entered the weather stripping along the rear of the door opening. The bullet traveled in a northeast and slightly downward direction. One fired bullet was recovered from the weather stripping and assigned EV 54.
AW-O	Bullet hole in the lower portion of the front passenger door. The bullet passed through the door and impacted the right B-pillar (AW-O1) and the forward-facing side of the right rear passenger door (AW-O2). The bullet traveled in a northeast and slightly downward direction. No additional corresponding damage was observed.

The above-listed evidence was retained in the Firearms Section pending further requests for analysis.

Background on Scene Examinations Performed

- Bullet hole/impact determination is performed through the examination of observable physical characteristics, the presence of chemical residues, and/or the presence of a bullet. The same concepts apply for defects caused by shotgun-related projectiles.

- A bullet's trajectory, or flight path, may be determined through an examination of the physical characteristics of a bullet hole or other damage indicative of the passage of a bullet. Bullet trajectory may be further defined when there are two or more points of contact or, alternatively, when a bullet passes through a sufficiently thick object. The same concepts apply for holes or other damage caused by shotgun-related projectiles.

Crime scene notes and supporting documentation exist in the case file at the laboratory and will be retained indefinitely.

Coroner's Case Number:
Coroner's Case Number: 2017-02242

On March 20, 2017, at the request of Detectives L. Aguilera #[redacted] and M. Boisvert #[redacted] I responded to location #1. The request was to assist detectives in the documentation of the scene and collection of evidentiary items pursuant to a deputy involved shooting investigation.

Observations and Scene Examinations

Location #1: 8388 E. Las Tunas Drive, Temple City

Vehicle #1: Blue Chevy Trailblazer CA Lic#[redacted]

Location #1 is the Temple Sheriff Station. Most evidence items were located in the public parking lot north of the front entrance to the station. Against the north wall of the lot vehicle #1 was backed into a parking spot. There were multiple possible bullet holes on both sides of the vehicle, all four door-windows were either completely shattered or broken and hanging in place and the windshield had several possible bullet holes. The rear side windows were popped off of the vehicle. The subject was deceased in the back seat. The vehicle was full of clothing and multiple various items. In the parking stall next to the passenger side of the vehicle there was a shotgun. There were cartridge cases all around the lot. In front of the vehicle there were (2) armored sheriff vehicles. There was a used flash-bang grenade on the hood of vehicle #1.

I completed a hand drawn sketch of location #1.

At the request of Detective S. Blagg #[redacted] I responded to location #2: [redacted] Location #2 is an apartment on the second floor of a multi-building property. The interior of the apartment is extremely cluttered and dirty. The bedroom was full of clutter, clothes and miscellaneous items.

I photographed the interior of location #2 as it appeared upon my arrival. I took additional photographs of important areas and evidence items GA-1 through GA-14, which were released to Detective Blagg (see his report for details).

I returned to location #1 and completed an evidence legend with measurements.

On 03-22-2017 I responded to location #3: 9350 Lower Azusa Road, Temple City, "Citywide Tow." Vehicle #1 was parked in a secure bay.

I photographed the exterior and interior of vehicle #1 as it appeared upon my arrival. I took additional photos of important items and areas, including items inside the vehicle, areas of possible blood and visible damage to the vehicle.

Senior Criminalists A. Wu #[redacted] and S. Shiraishi #[redacted] responded to location #3 to conduct an investigation for firearms evidence. I photographed items and areas at the direction of Criminalist Wu (see her report for details).

Detectives Aguilera, Boisvert and Boskovich searched the items in vehicle #1. I photographed additional items at the direction of Detective Boskovich (see his report for details).

Evidence Inventory

Items collected at Location #2:

PRELIMS Item Number	CSI Number	Evidence Description
	GA-1	Letter
	GA-2	ID badges/lanyard
	GA-3	DVD
	GA-4	Box of cards/patch
	GA-5	Cell phones
	GA-6	Cell phone
	GA-7	Photographs
	GA-8	Rifle
	GA-9	(2) jackets
	GA-10	ID Badge
	GA-11	Shotgun shell
	GA-12	Gun receipt
	GA-13	Baggie of ID badges
	GA-14	Jacket

Evidence Disposition

I released GA-1 through GA-14 to Detective Blagg at location #2.

All requests for analysis shall be directed to the respective section supervisors. Field investigation notes and supporting documentation are in the case file at the laboratory.

Subject: Lane, Andrew; D.O.B: 03/13/1970 Coroner's Case Number: 2017-02242

On March 20, 2017, at the request of Detectives L. Aguilera and M. Boisvert, I responded to 8838 Las Tunas Drive, Temple City "Temple Sheriff's Station." The request was to assist detectives in the documentation of the scene and collection of evidentiary items pursuant to a deputy-involved shooting investigation.

Observations and Scene Examinations

Location #1: 8838 Las Tunas Drive, Temple City "Temple Sheriff's Station"
Location #2: [redacted]

Vehicle #1: Chevrolet-Trailblazer, blue, CA license #[redacted] (EV-49)

I arrived to location #1 at approximately 1004 hours and was directed to the K-Mart parking lot, which is east of location #1. I was briefed and given a walk-through of location #1 and was advised a search warrant was pending for location #2.

Location #1 is the Los Angeles Sheriff's Department (LASD) Temple Sheriff's station. It is located on the south side of Las Tunas Drive. The scene consisted of the north public parking lot. There were parking stalls on the north and south side of the parking lot. I observed several parked vehicles, two of those vehicles were "Los Angeles County Sheriff's Department" Armor vehicles. A blue Chevrolet-Trailblazer with California license plate #[redacted] (vehicle #1) was parked on the north side of the parking lot facing in a southbound direction. Vehicle #1 had possible bullet holes/impacts and a male decedent was laying on the second row seat of the vehicle. Shattered glass were inside the vehicle and on the ground. Several cartridge cases and other firearms related evidence were on the parking lot.

I photographed the overall scene. I marked and photographed evidence items 1 through 62 and A and B. I photographed the evidence items with placards in place.

Senior Criminalists A. Wu #[redacted] and S. Shiraishi #[redacted] responded to location #1 to conduct a firearms examination of the scene. I photographed additional areas and objects for A. Wu. A. Wu collected and retained custody of the firearms related evidence, including the duty firearms of the Deputies (see Wu's report for further information).

Forensic Identification Specialist (FIS) Mike Bayer #[redacted] responded to location #1 and #2. M. Bayer created a hand drawn sketch including measurements and an evidence legend of location #1. At the Direction of Detective M. Boskovich, M. Bayer responded to location #2 (see M. Bayer's report for further details).

At the direction of Detective L. Aguilera, I photographed the following LASD Deputies:

1. Vance, Brian #[redacted]
2. Inthavong, Scott #[redacted]
3. Botten, Nathan #[redacted]

Coroner Investigator J. McKibben #[redacted] responded to location #1 and conducted an examination of the decedent. I took additional photographs of the decedent with the assistance of the Coroner Investigator.

Detective M. Boskovich retained custody of evidence items 9, 24, 41 and the contents of evidence items 47 and 48 (see M. Boskovich's report for further information).

FIS R. Parker #[redacted] conducted aerial photographs of location #1 (see his report for further).

I concluded the scene at approximately 1830 hours.

Evidence Inventory

The following evidence items were collected from the scene

PRELIMS Item Number	CSI Number	Evidence Description
	1, 50	Rubber projectile

	62	Smith & Wesson model M&P9, 9mm Luger, semi-auto pistol, SN: MRF4240; one empty magazine and (14) cartridges
18		One CF memory card from location #1
34		One CF memory card (aerial photos)
	A	LASD-armor vehicle, unit SX1719, CA exempt license #1503857
	B	LASD-armor vehicle, unit SX1720, CA exempt license #1503858

Evidence Disposition

Evidence items 1 through 8, 10 through 23, 25 through 40, 42 through 48, and 50 through 62 were collected and retained by Senior Criminalist A. Wu.

PRELIMS item 18 and 34 were submitted to the Evidence Control Section

Evidence items 9, 24, and 41 were collected and retained by Detective M. Boskovich at the scene.

Evidence A and B were photographed only.

EV-47 & EV-48 were released to Detective M. Boskovich at the scene.

EV-49 was towed to City Wide Towing.

All requests for analysis shall be directed to the respective section supervisors. Field investigation notes and supporting documentation are in the case file at the laboratory.

AUTOPSY REPORT

No. 2017-02242

LANE, ANDREW JARED

I performed an autopsy on the body of

at the DEPARTMENT OF MEDICAL EXAMINER-CORONER

Los Angeles, California on MARCH 23, 2017 @ 0800 HOURS
(Date) (Time)

From the anatomic findings and pertinent history I ascribe the death to:

(A) SHOTGUN WOUND TO HEAD

DUE TO OR AS A CONSEQUENCE OF

(B)

DUE TO OR AS A CONSEQUENCE OF

(C)

DUE TO OR AS A CONSEQUENCE OF

(D)

OTHER CONDITIONS CONTRIBUTING BUT NOT RELATED TO THE IMMEDIATE CAUSE OF DEATH

GUNSHOT WOUNDS TO EXTREMITIES AND EFFECTS OF METHAMPHETAMINE INTAKE

Anatomic Summary:

I. The decedent is a 47-year-old Caucasian male who is 72 inches tall and weighs 182 pounds. He reportedly was at the Sheriff's office when deputies approached in order to arrest him. The decedent fled the building and got into his vehicle. The decedent reportedly was shot by the police and then subsequently shot himself with a shotgun. The decedent was officially pronounced dead on March 20, 2017 at 0818 hours.

II. The firearm wounds are arbitrarily sequenced from the top of the head to the soles of the feet and are not intended to represent the sequence of injuries.

III. Shotgun wound to skin under chin (submental region), perforating, fatal.

A. Entry: Skin under chin 9-1/2 inches from the top of the head at the midline; entrance wound measures 1-1/4 inch x 1 inch; a 1-1/4 x 1/8 inch area of soot is present; no stippling is identified; no satellite wounds are identified; no scalloping is identified; no shotcup petal slap abrasions are identified.

B. Direction: Upwards.

C. Path: Skin under chin, soft tissue, mandible, tongue, maxilla, base of skull, dura mater, frontal lobes of brain, parietal lobes of brain, dura mater, skull, exits scalp.

(169)

D. Exit: The irregular shotgun exit wound involves the forehead and nose as depicted on Coroner's Form 22; the exit wound is situated 3 inches from the top of the head at the midline; the irregular exit shotgun wound measures 5-3/4 inches x 5-1/2 inches; no soot or stippling.
E. Projectile: A lead fragment is recovered from the left frontal lobe of the brain and is submitted into evidence.
F. Despite a careful search no plastic shotcup/plastic shotcup fragments/wads are identified.
G. Associated injuries: Diffuse subarachnoid hemorrhage of brain; the left eye globe is perforated.
H. Range of fire: This is a contact shotgun wound.

IV. Firearm wound #2 to right leg, perforating, sublethal.

A. Entry: Back of right leg 43-1/2 inches from the top of the head at the midline of the leg; entrance wound measures 3/8 inch x 3/8 inch; no soot or stippling.
B. Direction: Right to left, back to front, upward.
C. Path: Skin of right leg, soft tissue, exit right leg.
D. Exit: Right leg 43 inches from the top of the head and 2-1/4 inches left of the midline of the leg; exit wound measures 1-1/8 inch x 5/8 inch; no soot or stippling.
E. Projectile: None recovered.
F. Range of fire: Indeterminate.

V. Firearm wound #3 to back of right leg, perforating, fatal.

A. Entry: Back of right leg 48 inches from the top of the head at the midline of the leg; entrance wound measures 9/16 inch x ½ inch; no soot or stippling.
B. Direction: Right to left, back to front, upward.
C. Path: Skin of right leg, soft tissue, transects right femoral artery, soft tissue, exit right leg.
D. Exit: Right leg 43-1/4 inches from the top of the head and 2-1/2 inches left of the midline of the leg; exit wound measures ¾ inch x 9/16 inch; no soot or stippling.

12

E. Projectile: None recovered.
F. Associated injuries: Hemorrhage of the soft tissue of the right leg; Dr. Panchal was present when the blue jeans were removed from the decedent and it is noted that a large amount of clotted blood was present situated between the blue jeans and the decedent.
G. Range of fire: Indeterminate.

VI. Firearm graze wound of right chest.

A. Location and measurements: Right chest 19 inches from the top of the head and 5-3/4 inches right of the midline; graze wound measures ¾ inch x 5/16 inch; no soot or stippling.
B. Direction: Indeterminate.
C. Projectile: None recovered.
D. Range of fire: Indeterminate.

VII. In association with firearm exit wounds 2 and 3, a 3 inch x 2-1/2 inch ecchymosis is present.

VIII. Superficial gunshot wound laceration situated on distal left lower extremity 67-1/2 inches from the top of the head and 5/8 inches right of the midline of the leg; this laceration measures 5/8 inch x 3/8 inch (with a depth of 3/16 inch); an associated ¾ inch x ½ inch ecchymosis is present; no soot or stippling.

A. Direction: Indeterminate.
B. Range of fire: Indeterminate.
C. Projectile: A copper jacket fragment and lead fragment are recovered in the left shoe and are submitted into evidence.

IX. Gunshot wound abrasion situated on right foot 70 inches from the top of the head and 1 inch right of the midline; abrasion measures 5/8 inch x 5/16 inch; no soot or stippling; a surrounding 1 inch x ¾ inch ecchymosis is present.

A. Direction: Indeterminate.
B. Range of fire: Indeterminate.
C. Projectile: None recovered.

X. A 2-1/4 inch x 1-1/4 inch yellow abrasion is situated on the anterior right torso 25 inches from the top of the head and 3-3/4 inches right of the midline; no soot or stippling; this yellow injury is consistent with a postmortem abrasion caused by a rubber projectile.

XI. Ecchymoses on the left leg range in size from 2 inch x 1 inch to 1 inch x ¾ inch.

XII. Injuries situated on the back of the right hand.

A. 1-1/4 inch x ¾ inch ecchymosis situated on the back of the right hand.
B. Abrasions on the back of the right hand range in size from 5/16 inch x 1/32 inch to ¼ inch x 1/16 inch.

XIII. No other autopsy evidence of trauma is identified.

XIV. A lead fragment is recovered within the blue jeans and is submitted into evidence.

XV. A lead fragment is recovered from the black sweat shirt and submitted into evidence.

XVI. No other autopsy evidence of trauma is identified.

XVII. No operative medical intervention is identified.

XVIII. Please see separate toxicology report.

SUMMARY OF EVENTS:

The decedent is a 47-year-old Caucasian male who was officially pronounced dead on March 20, 2017 at 0818 hours. The reader is referred to the Coroner's Investigations report for further information regarding the circumstances.

EVIDENCE OF INJURY:

The injuries are arbitrarily sequenced for the convenience of the Examiner, and do not indicate the sequence of injuries. The reader is referred to the Anatomical Summary for a detailed description of the injuries.

Note: For the remainder of the autopsy report, the following observations are limited to findings other than injuries, if described above. In particular, the descriptions of the skin, soft tissue, bones, organs, and other structures specifically refer only to the non-injured portions of those parts of the body.

EXTERNAL EXAMINATION:

The body is identified by toe tags and is that of an unembalmed, refrigerated adult Caucasian male who appears about the reported age of 47 years. The body weighs 182 pounds, measures 72 inches in height, and is well-nourished. No wrist scars are identified. The reader is referred to the autopsy photographs and the Coroner's Investigations report for information regarding tattoo(s). Livor mortis is present. Rigor mortis has presumably been altered/abolished.

The head is normocephalic and has short straight black hair on the scalp; no balding is identified; no mustache or beard hair is present. Examination of the eyes reveals irides that are hazel and sclerae that are white. There are no petechial hemorrhages of the conjunctivae of the lids or the sclerae. The oronasal passages are unobstructed. Teeth are present. Fractures of the maxilla and mandible are present. The neck is unremarkable. There is no chest deformity. There is no increased anterior-posterior diameter. The abdomen is not unusual. The genitalia are those of an adult male. The external genitalia are without trauma or lesions. The extremities show no edema.

CLOTHING:

Note: A brief limited examination of the clothing is performed. The clothing may be examined by a criminalist if range of fire is an issue. No soot or propellant particles are identified on any of the clothing. The clothing consists of as follows:

1. A right brown shoe with a graze.
2. A left brown shoe with a hole and a left white sock with a hole.
3. Blue jeans with black belt; holes are present in the right leg sleeve of the blue jeans.
4. Short sleeve white shirt and black sweatshirt (both items of clothing have defects).
5. White right sock.

INITIAL INCISION:

The body cavities are entered through the standard coronal incision and the standard Y-shaped incision. The right leg is also dissected.

NECK:

No foreign material is present in the mouth, upper airway, or trachea. The neck organs are removed en bloc with the tongue. The tongue, maxilla, and mandible are all injured due to the shotgun wound situated on the skin under the chin. The thyroid is unremarkable. There are no prevertebral fascial hemorrhages.

CHEST/ABDOMINAL CAVITY:

Both pleural cavities contain no fluid, blood, or adhesions. The lungs are partly collapsed. Soft tissues of the thoracic and abdominal walls are well-preserved. The subcutaneous fat of the chest wall measures 7/16 inch. The subcutaneous fat of the

(n4)

abdominal wall measures 1-1/2 inches. The breasts are examined and sectioned in the usual manner and show no abnormalities. The organs of the abdominal cavity have a normal arrangement and none are absent. There is no fluid collection. The peritoneal cavity is without evidence of peritonitis. There are no adhesions.

MUSCULOSKELETAL SYSTEM:

No abnormalities of the uninjured bony framework or muscles are identified.

CARDIOVASCULAR SYSTEM:

The aorta is elastic and of even caliber throughout with vessels distributed normally from it. The aorta has minimal atherosclerosis. There is no tortuosity or widening of the thoracic segment. There is no dilation of the lower abdominal segment. No aneurysm is present. The major branches of the aorta show no abnormality. Within the pericardial sac there is a minimal amount of serous fluid. The heart weighs 400 grams. The heart shows no gross focal lesions. The right ventricular myocardial thickness is 0.4 cm, the left ventricular myocardial thickness is 1.3 cm, and the interventricular septal myocardial thickness is 1.4 cm. The chambers are normally developed and are without mural thrombosis. The valves are thin, leafy, and competent. The circumferences of the valve rings are: Tricuspid valve 11.5 cm, pulmonic valve 7.2 cm, mitral valve 10.8 cm, and aortic valve 6.5 cm. There is no endocardial discoloration. There are no infarcts of the myocardium. There is no abnormality of the apices of the papillary musculature. There are no defects of the septum. The great vessels enter and leave in a normal fashion. The ductus arteriosus cannot be probed. The coronary ostia are widely patent. The coronary arteries show minimal atherosclerosis. No focal endocardial, valvular, or myocardial lesions are seen. The blood within the heart and large blood vessels is liquid.

RESPIRATORY SYSTEM:

No blood is found in the lower bronchial or upper respiratory passages. The lungs are subcrepitant and congestion is present. The left lung weighs 550 grams. The right lung weighs 750 grams. The lungs bilaterally show no gross focal lesions upon cut sectioning. The pulmonary vasculature is without thromboembolism.

GASTROINTESTINAL SYSTEM:

The esophagus is intact throughout. The stomach is not distended. It contains a few cc of semisoft and liquid food material. The gastric mucosa is grossly unremarkable. Portions of tablets and capsules cannot be discerned in the stomach. The small intestine and colon are opened along the anti-mesenteric border and are grossly unremarkable. The appendix is present. The pancreas occupies a normal position. There is no trauma. The parenchyma is lobular and firm. The pancreatic ducts are not ectatic and there is no parenchymal calcification.

HEPATOBILIARY SYSTEM:

The liver weighs 1225 grams, is of average size, and is brown. The capsule is intact and the consistency of the parenchyma is soft. The cut surface is smooth. There is a normal lobular arrangement. The gallbladder is present. The wall is thin and pliable. It contains 1 cc of bile and no calculi. There is no obstruction or dilation of the extrahepatic ducts. The periportal lymph nodes are not enlarged.

URINARY SYSTEM:

The left kidney weighs 100 grams. The right kidney weighs 100 grams. The kidneys are normally situated and the capsules strip easily, revealing a surface that is unremarkable. The corticomedullary demarcation is preserved. The pyramids are not remarkable. The ureters are without dilation or obstruction and pursue their normal course. The urinary bladder is unremarkable. It contains 20 cc of yellow urine.

GENITAL SYSTEM (MALE):

The prostate is without enlargement or nodularity. Both testes are in the scrotum and are unremarkable and without trauma.

HEMOLYMPHATIC SYSTEM:

The spleen weighs 100 grams and is of average size. The capsule is intact. The parenchyma is dark red. There is no increased follicular pattern. Lymph nodes throughout the body are small and inconspicuous. The uninjured bone is not remarkable. The bone marrow of the ribs is unremarkable.

ENDOCRINE SYSTEM:

The thyroid is unremarkable. The parathyroid glands are not identified. The adrenal glands are unremarkable. The thymus is not identified. The pituitary gland is unremarkable.

SPECIAL SENSES:

The left eye globe is perforated. The right eye is unremarkable and is not dissected. The middle and inner ears are not dissected.

HEAD AND CENTRAL NERVOUS SYSTEM:

Subgaleal hemorrhage is present. The external periosteum and dura mater are stripped showing multiple skull fractures. The dura mater is torn. There is no epidural or subdural hemorrhage. Subarachnoid hemorrhage of the brain is present. The brain weighs 1200 grams and is disrupted due to a contact shotgun wound situated on the skin under the chin. Excluding the disruption of the brain (which includes injuries of the frontal lobes as well as the parietal lobes of the brain) no other abnormalities or trauma of the brain are grossly identified. The cerebral arteries show minimal atherosclerosis.

SPINAL CORD:

The spinal cord is not dissected. The neck has a normal range of motion. No prevertebral fascial hemorrhage is identified. No sign of vertebral column trauma is identified.

HISTOLOGIC SECTIONS:

Representative sections from various organs are preserved in one storage jar in 10% formalin. A second regular sized storage jar containing formalin is used to store the transected right femoral artery.

TOXICOLOGY:

Heart blood, femoral blood, bile, liver, urine, stomach contents, and vitreous humor have been submitted to the laboratory. A comprehensive screen was requested.

PHOTOGRAPHY:

Autopsy photographs are taken.

RADIOLOGY:

Fifteen x-rays are obtained. The x-rays show the presence of the lead fragment in the head that is recovered during the autopsy dissection.

WITNESSES:

LASD Homicide Detectives Louie Aguilera and Marc Boisvert witnessed the autopsy.

DIAGRAMS USED:

Diagram Forms 20 (x3), 20G, 22, 23, and 43 were used during the performance of the autopsy. The diagrams are not intended to be facsimiles. In addition, Dr. Panchal prepared four pages of photocopies of the projectile envelopes and included these photocopies in the autopsy report.

OPINION:

The cause of death is a shotgun wound to the head. Other conditions include gunshot wounds to extremities and the effects of methamphetamine intake. In addition to the effects of significant blood loss and the effects of methamphetamine, the anatomic findings support the extremity gunshot wound injuries preceding the shotgun wound to the head. The manner of death is deemed undetermined. The case is discussed with the Director of Operations.

SYNOPSIS

ACCORDING TO THE AVAILABLE INFORMATION, THE DECEDENT IS 47-YEAR-OLD WHITE MALE WHO WAS AT THE SHERIFF'S OFFICE REGISTERING AS A SEX OFFENDER WHEN THE SHERIFFS PERSONNEL REALIZED THAT HE WAS WANTED BY LOS ANGELES POLICE DEPARTMENT. DEPUTIES APPROACHED THE DECEDENT TO ARREST HIM WHEN HE FLED THE BUILDING AND GOT IN TO HIS VEHICLE. THE DECEDENT HAD A SHOTGUN IN HIS VEHICLE. DURING THE STANDOFF THE DECEDENT APPEARS TO HAVE SHOT HIMSELF IN THE HEAD WITH THE SHOTGUN. THE DECEDENT WAS ALSO STRUCK BY BULLETS FIRED BY THE DEPUTIES. LOS ANGELES SHERIFF'S DETECTIVES AGUILERA & BOISVERT REQUEST TWO HOUR NOTICE IN ORDER TO ATTEND THE EXAMINATION IN THIS CASE.

Analysis and Comments	Result	Units	Reporting Limit	Notes
Following a 60 mg oral dose (immediate-release tablet or syrup), mean peak plasma concentrations of 180 to 360 ng/mL were reported at 3 hours.				
Following a 120 mg oral dose (controlled-release capsule), mean peak plasma concentrations of 265 to 315 ng/mL were reported.				
Chronic administration of 360 mg/day (of a controlled-release preparation) resulted in mean steady-state plasma concentrations between 500 and 640 ng/mL over a 10-day period.				
Phenylpropanolamine	None Detected	ng/mL	5.0	
Synonym(s): Norephedrine; PPA				
Phenylpropanolamine is a drug as well as the metabolite of Ephedrine				
Following a single 50 mg oral dose (immediate-release tablet), the mean peak plasma concentration was 180 ng/mL at 1 to 2 hours.				
Following a single 150 mg oral dose (sustained-release preparation), the mean peak plasma concentration was 280 ng/mL at 6 hours.				
Norpseudoephedrine	None Detected	ng/mL	5.0	
Synonym(s): Cathine				
Norpseudoephedrine is a metabolite of Pseudoephedrine.				
Amphetamine	410	ng/mL	5.0	
Amphetamine is a drug as well as the metabolite of Methamphetamine.				
Therapeutic Range (treatment of Narcolepsy or Attention Deficit Disorder) with doses between 10 and 30 mg daily: Mean peak plasma concentrations between 35 and 110 ng/mL.				
Phentermine	None Detected	ng/mL	10

Analysis and Comments	Result	Units	Reporting Limit	Notes
A single 26 mg/70 kg oral dose produced a mean peak blood concentration of 90 ng/mL at 4 hours, declining to 30 ng/mL after 40 hours. Adults receiving 30 mg daily oral doses for 2 weeks achieved a mean steady-state plasma concentration of 360 ng/mL (range 180 to 510 ng/mL).				
Methamphetamine	12000	ng/mL	500	
Therapeutic Range (treatment of Obesity and Attention Deficit Disorder) following a 12.5 mg oral dose: Mean peak blood concentrations were 20 ng/mL at 2.5 hours. This test reports Methamphetamine as the total of the undifferentiated d and l enantiomers. The ratio of these enantiomers is important in determining whether the source of Methamphetamine is from over the counter medications, prescribed medication or controlled substances. Call lab for further information on d to l enantiomer ratio determination.				
MDA	None Detected	ng/mL	5.0	
Synonym(s): 3,4-Methylenedioxyamphetamine; Adam; MDMA Metabolite				
MDA is a metabolite of MDMA and methylenedioxyethylamphetamine (MDEA) and is abused for its central nervous system stimulant and hallucinogenic properties. The peak concentration of the MDA metabolite following a 110 mg dose of MDMA was reported as 28 ng/mL at 4 hours. The blood to plasma ratio of MDA is approximately 1.2 - 1.3				
MDMA	None Detected	ng/mL	5.0	
Synonym(s): 3,4-Methylenedioxymethamphetamine; Ecstasy				
Following a single 50 mg oral dose, the mean peak plasma concentration was 110 ng/mL at 2 hours.				
MDEA	None Detected	ng/mL	10

FORM #3 NARRATIVE TO FOLLOW? ☑

Information Sources:

Detectives Cheek, Boskovicu, Aguilera, & Boisvert – Los Angeles Sheriff's Department – Homicide, 1 Cupania Circle, Monterey Park, CA 91755, [redacted]

Investigation:

On 03/20/2017 at 0853 hours, Los Angeles Sheriff's Security Officer Argumedo reported this death to the Medical Examiner - Coroner Office. Lieutenant Molano assigned this case to me at 1454 hours upon clearing a previous call. I arrived at the location at 1525 hours. I cleared the scene at 1704 hours upon completion of the field portion of the investigation. I utilized the above sources and my on scene investigation to obtain the information contained within this death investigation report.

Location:

Vehicle – Los Angeles Sheriff's Department, Temple Station Parking Lot, 8838 E. Las Tunas Dr. Temple City, CA 91780

Informant/Witness Statements:

According to Detective Cheek, the decedent is a 47-year-old white male who is a registered sex offender. As a sex registrant, he is required to keep the local law enforcement agency aware of his home address. On 03/20/2017 at approximately 0715 hours, the decedent went into the Sheriff's Temple Station to update his registration information. While updating the decedent's information, the sheriff's employee observed that the decedent had an outstanding warrant for his arrest issued by Los Angeles Police Department. The employee went into the back of the station and got some deputies to assist in arresting the decedent for the outstanding warrant. When the decedent observed the deputies approaching from the rear of the station, he fled out the lobby door and in to the parking lot. The decedent went to his parked vehicle and armed himself with a 12 gauge shotgun. The deputies that were heading towards the lobby followed the decedent out into the parking lot. They observed the decedent with the shotgun and ordered him to put down the weapon. The decedent failed to put down the gun and he took cover in the vehicle. The exact sequence of events is still being investigated. The decedent fired at least one round from the shotgun and three deputies fired multiple rounds into the vehicle. Deputies from the Sheriff's Special Enforcement Bureau (SEB) responded to the scene. They approached the decedent's SUV in armored vehicles. They utilized rubber projectiles and flash bang grenades to elicit a response from the decedent. When the decedent failed to respond, SEB deputies approached the decedent and found him lying across the back seat of the SUV. He was found with a shotgun lying on his chest pointed towards his chin. He was noted to have a large hole under his chin and massive head trauma. SEB Paramedic Deputy Doucette pronounced death on 03/20/2017 at 0818 hours. The shotgun was removed and was found to have one spent shell in the chamber and one live round in the magazine. All the deputies involved fired handguns. Detectives spoke to the decedent's family, one of whom stated that the decedent feared having to register at the sheriff's station because he was afraid he would be arrested and taken to jail. The decedent stated that he did not want to go back to jail.

Scene Description:

The scene is the parking lot located in front of the Los Angeles Sheriff's Department Temple station. The parking lot is located between the street and the building. There are six parking spaces along the north side of the lot. There are another six spaces on the south side of the lot adjacent to the building. There are four spaces along the west wall. The driveway from the street is located on the east side. The door to the station's lobby is located in the southeast corner of the parking lot. There is multiple shell casings noted in the parking lot. There are two armored vehicles parked in the lot around the decedent's SUV. The decedent's 2005 Chevy Trailblazer

(CA License # [redacted] is backed in to a parking space near the middle of the north side of the lot. The vehicle has numerous bullet strikes to the windshield, driver's door and both passenger side doors. All the side door windows are broken. The rear windows on both sides have been pried off and are lying on the ground next to the vehicle. There are multiple vests hanging up in the rear of the decedent's vehicle. One says "SWAT" on it, one is a ballistic vest, one is a mesh vest with elbow pads, gloves, and various other tools attached. There are two law enforcement type badges located in the vehicle. An airsoft pistol that replicates a 45 caliber semi-automatic pistol was found under the driver's seat. The decedent is observed lying in a supine position on the back seat of the vehicle. His head is towards the east next to the driver's side door. His feet are towards the west against the passenger door. The decedent's left foot is up against the rear passenger door window. The decedent is wearing a set of black goggles with a black plastic screen lens. The goggles are being worn upside down. A plastic shot cup is observed lying on the side of the decedent's neck. Deputies removed a 12 gauge shotgun from the vehicle prior to my arrival. The weapon was reportedly lying on the decedent's chest pointed towards his head. A 40 mm rubber projectile is observed lying on the decedent's abdomen. A discharge flash bang grenade is observed lying on the hood of the vehicle. There is a large amount of broken glass on the ground around the vehicle and in the vehicle. There are numerous pieces of skull found within the vehicle.

Evidence:

While at the scene, I collected a Gunshot Residue Kit. A Decedent's Fingernail Kit and a Decedent's Hair Kit were collected at the Forensic Science Center. These items were booked as physical evidence at the Forensic Science Center.

Body Examination:

The body is that of a 47-year-old white male who was observed lying in across the back seat of the above vehicle. He has hazel eyes and brown hair. He is wearing a black sweater, white shirt, blue jeans, black belt, brown boots and white socks. He has no scars noted. He has a small tattoo on the left lower abdomen of the initials "AJL". He has some gunshot wounds to the upper legs and groin area. The groin area of the jeans is bloody and have multiple bullet holes noted. He has a large gunshot wound to the bottom of his chin. He has a large avulsion type gunshot wound to the top of his head. These wounds appear to be a through and through type combination. He has no other trauma noted. Lividity is faint blanches and is consistent with the position found. Rigor mortis is rated at three throughout the entire body.

Identification:

On 03/20/2017 at 1732 hours, Los Angeles County Regional Identification System identified the decedent as Andrew Lane (DOB 03/13/1970) by fingerprint comparison.

Next of Kin Notification:

On 03/20/2017 at 1156 hours, Los Angeles Sheriff's Detectives notified [redacted] of the death of his son.

Tissue Donation:

The decedent is a possible candidate for tissue harvesting.

Autopsy Notification:

Los Angeles Sheriff's Detectives Aguilera & Boisvert request two hour notice in order to attend the examination in this case.

SUBJECT: Officer Involved Shooting of Andrew Lane
J.S.I.D. File #17-0154
L.A.S.D. File #017-03249-0522-013

DATE: March 22, 2018

The Justice System Integrity Division of the Los Angeles County District Attorney's Office has completed its review of the March 20, 2017, fatal shooting of Andrew Lane by Los Angeles County Sheriff's Department (LASD) Deputies Nathan Botten, Brian Vance, and Scott Inthavong. We find that the deputies acted in lawful self-defense and defense of others.

The District Attorney's Command Center was notified of this shooting on March 20, 2017, at 8:56 a.m. The District Attorney Response Team responded to the scene and was given a briefing and walk-through by LASD Lieutenant Joe Mendoza.

The following analysis is based on reports prepared by the LASD Homicide Bureau, submitted to this office by Detectives Marc Boisvert and Louie Aguilera. The reports include photographs, coroner records, radio transmissions, and audio-recorded interviews of witnesses and the deputies.

FACTUAL ANALYSIS

Introduction

On March 20, 2017, at approximately 7:25 a.m., Andrew Lane drove his blue SUV into the parking lot of the LASD station in Temple City, backed into a parking space, and parked, apparently for the purpose of going into the station to re-register as a sex offender.[1]

An aerial photograph of Lane's vehicle and the Sheriff's station is shown below:

---

[1] Lane was required [redacted] in case number [redacted] for a [redacted] of Penal Code section [redacted]

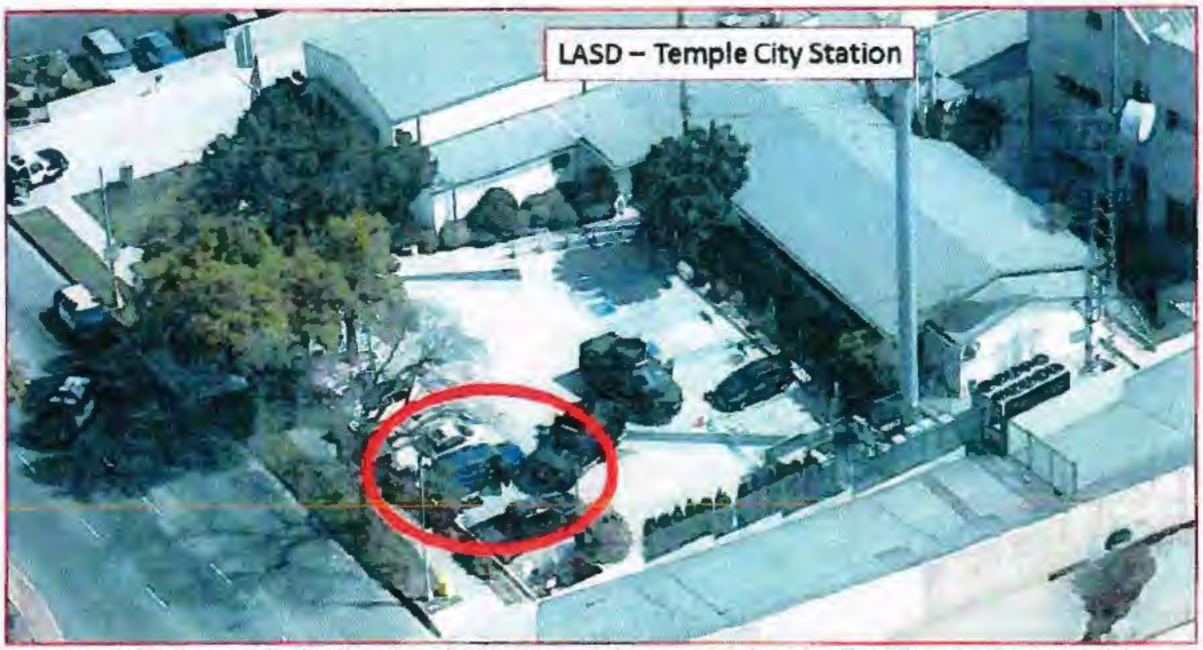

Figure 1- Aerial photograph of LASD – Temple City Station. The positions of Lane's blue SUV and an LASD Special Enforcement Bureau vehicle, at the time of the shooting, are shown inside the red circle.

Lane went inside and spoke with Deputy Brian Vance, who was the sex registrant deputy on duty that day. Vance recognized Lane from prior contacts. Vance asked Lane for his identification and registration documents. Lane complied. Vance conducted a record check and confirmed that Lane had an outstanding felony warrant.[2] Vance called for the assistance of other deputies to arrest Lane. Vance informed the deputies that Lane possessed "SWAT" identifications and could be armed.[3]

Vance, Sergeant James Long, and Deputies Henry Shue, Scott Inthavong, and Nathan Botten, walked into the lobby to arrest Lane. In the meantime, Lane had exited the lobby and was standing outside the front door of the building, leaning against a wall.

Lane saw the deputies approaching and asked what they were doing. When Inthavong told Lane to turn around and put his hands behind his back, Lane ran toward his vehicle parked nearby, and the deputies chased him.

Lane entered his vehicle on the passenger side and reached for something in the backseat. Inthavong took a position directly adjacent to the rear passenger door in order to see what Lane was doing. At the same time, Botten approached the driver's side door and opened it. He positioned himself between the driver's side door and the driver's seat. Long positioned himself directly behind Botten.

The deputies ordered Lane to show his hands, but Lane did not comply. As Lane produced a shotgun, Inthavong yelled, "He's reaching for something!" Long yelled, "Shoot!

---

[2] At the time of the shooting, Lane had an outstanding warrant in case number [redacted] for distributing child pornography.

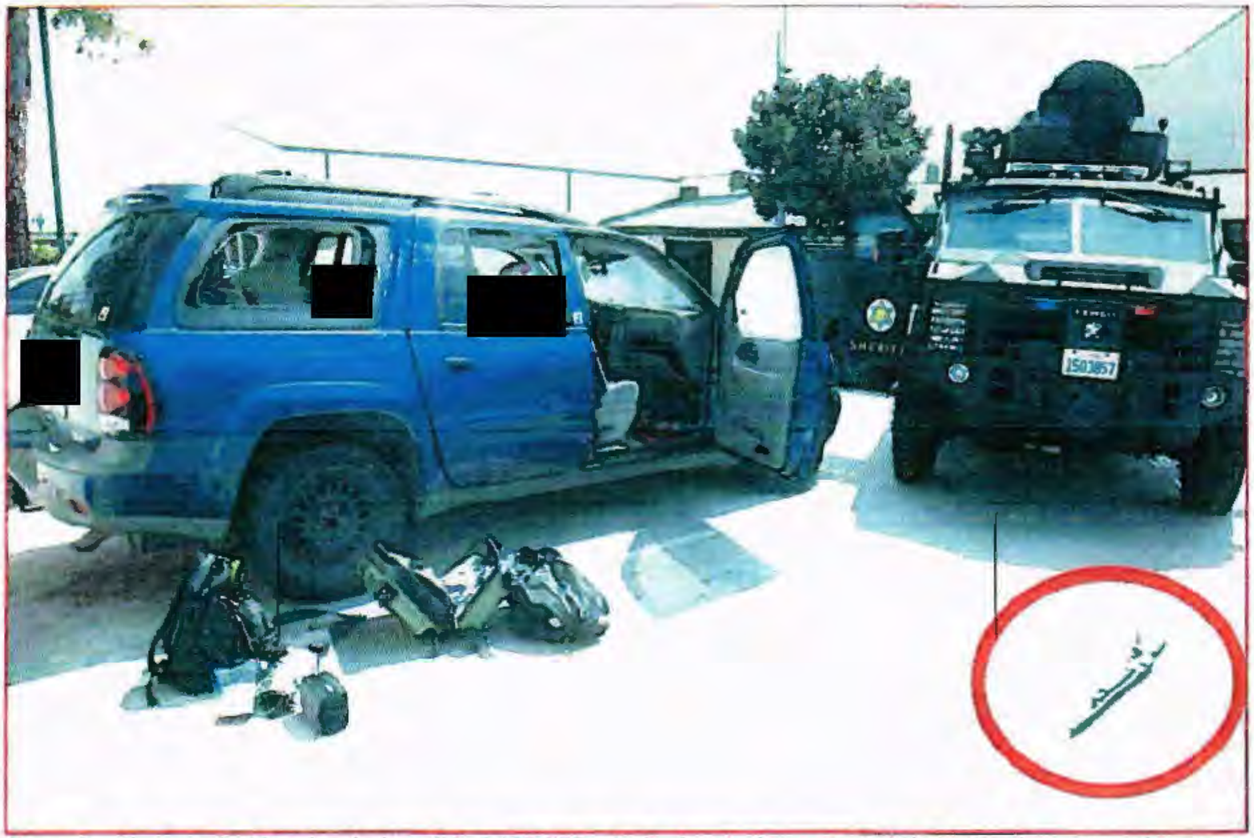
[3] Lane was not a law enforcement officer. He claimed he was a security officer authorized to have the SWAT identification.

Shoot!" Inthavong, Botten, and Vance fired their service weapons at Lane and took cover. Lane was struck by the gunfire.

A shotgun blast was then heard coming from inside Lane's vehicle.

The deputies contained Lane's vehicle and LASD Special Enforcement Bureau (SEB) personnel arrived, approached Lane's vehicle, and saw him in the backseat with a shotgun on his chest. A deputy fired two less-lethal rubber tipped rounds at Lane, but he did not respond. SEB medical personnel entered the vehicle and saw that Lane had a single shotgun entry wound under his chin, and a large exit wound to the top of his head. It appeared that he had a self-inflicted shotgun wound to the head.

Deputies removed Lane's shotgun from the vehicle and placed it on the ground nearby. It is shown in the photograph below:



[redacted] [redacted] [redacted]

Figure 2 Photograph of Lane's vehicle and the LASD SEB vehicle Lane's shotgun is circled in red in the position where it was moved by LASD personnel to render it safe

Statement of Deputy Brian Vance

Vance was assigned to the Temple Station Patrol and was also designated as the sex registrant deputy for that day. Vance went into the lobby and immediately recognized Lane from prior contacts. Vance was aware that the Los Angeles Police Department had issued a warrant for Lane [redacted]

Vance contacted Lane and asked for his identification and registration receipt. Lane complied and retrieved his wallet from his back pocket and placed it on the counter. While the wallet was on the counter, Vance saw two identification cards in the name of "Andrew Lane" that contained "SWAT" markings. When questioned about these identification cards, Lane stated that he was a security officer and was authorized to carry them. After Vance finished speaking to Lane, he confirmed that Lane had an outstanding felony warrant. Vance contacted other deputies who were attending their morning briefing. He informed the deputies regarding Lane's status as a sex offender and the outstanding felony warrant. Vance also advised the deputies about Lane's "SWAT" identifications and advised them that Lane could possibly be armed.

Vance, accompanied by Botten, Shue, Inthavong, and Sergeant Long, walked toward the front counter to contact Lane. Lane was standing outside of the front door. When Lane saw the uniformed deputies approach, he took off his cowboy hat and ran toward a blue SUV parked in the station's front parking lot. Vance remained by the front door and saw Lane running toward the passenger side of the vehicle and saw Inthavong running after Lane. Vance heard Inthavong shout, "He's reaching for something!" Vance also heard Long yell, "Shoot! Shoot!" Inthavong and Botten fired their service weapons at Lane. Vance drew his service weapon and took cover behind a tree as Long and Botten took cover behind a vehicle parked next to Lane's vehicle. Shue took cover behind a wall. Vance heard a gunshot and saw glass and debris shatter from the driver's side of the SUV. He believed that Lane was shooting at the deputies. Vance fired three to four rounds at Lane to prevent him from firing any more rounds at the deputies who were taking cover near the driver's side of Lane's SUV.

Statement of Deputy Scott Inthavong

Inthavong was in the station briefing room when Vance notified him that there was a suspect in the lobby with an outstanding felony warrant. Inthavong, Shue, Botten, and Sergeant Long walked to the front lobby to arrest Lane. Vance provided a description of the suspect and warned them that Lane might possibly be armed. The deputies walked into the front lobby and saw Lane standing outside the entrance door.

Inthavong approached Lane, who began backing up while asking why the deputies were approaching him. Lane ran toward a blue SUV that was backed into a parking space in the parking lot. Inthavong gave chase. As Lane ran, he took off his cowboy hat and threw it at Inthavong. Lane ran to the passenger side rear door and entered the vehicle.

Inthavong drew his service weapon and ordered Lane, "Show me your hands!" Inthavong advised the other deputies that he saw Lane reaching for something. Inthavong heard one of the other deputies say, "Gun!" and then Long yelled, "Shoot! Shoot! Shoot!" Inthavong fired at Lane and backed up to get cover. He then heard a single rifle shot come from the inside of Lane's vehicle.

Statement of Deputy Nathan Botten

Botten was in the watch sergeant's office when he heard Inthavong speaking with Vance about a suspect with a felony warrant. Inthavong explained that Lane was possibly armed due to the "SWAT" identifications in Lane's wallet. Botten and the other deputies walked into the lobby to arrest Lane.

Lane was standing outside leaning against the front entrance wall. When Lane saw the deputies approach, he asked, "What's going on?" Inthavong ordered Lane to turn around and place his hands behind his back. Lane stepped back, ran toward a blue SUV in the parking lot, and threw his hat at Inthavong.

Lane entered the back seat of the vehicle. Botten approached the driver's side door of the vehicle and opened the door, positioning himself between the door and the driver's seat. Inthavong and Long approached the passenger side of the vehicle.

Botten drew his service weapon and ordered Lane to show his hands as Lane reached for something in the backseat. He saw Lane retrieve what appeared to be a rifle or a shotgun. Inthavong yelled, "He's reaching for something!" Botten heard gunshots coming from the passenger side of the vehicle. He shut the driver's side door and backed away. Through the front windshield, Botten viewed the barrel of a long gun moving back and forth between the front driver and passenger seat and he saw Lane looking toward him. Lane lifted the gun and Botten believed Lane was going to use it against the deputies. Botten fired three rounds at Lane through the windshield.

After Botten fired, Lane was still manipulating the firearm. Botten fired three more rounds at Lane.

Botten and Long moved away from Lane's vehicle and took cover behind an adjacent vehicle, and he saw Lane fire out the driver's side rear window.[4] Botten felt glass hit him in the face and a bullet go by him, and believed Lane was shooting at him.

Statement of Sergeant James Long

Long was assigned as a supervisor when Vance informed him and other deputies that he needed assistance with a man in the lobby who had an outstanding felony warrant. Vance also advised that Lane might be armed. Long, Botten, Shue and Vance walked into the lobby. They saw Lane standing outside the station, leaning against a wall.

Lane began running toward the parking lot and approached the rear passenger door of a vehicle. Long approached the vehicle with Botten and saw Lane reaching into the vehicle for something. Long heard Inthavong scream, followed by a large volley of gunshots. Through the driver's door, Long could see Lane moving and saw the barrel of a long gun in Lane's hands. Long ordered Botten to shoot. Botten fired several rounds. Long, Botten, and Shue then took cover behind an adjacent vehicle. Long saw glass shattering around the vehicle he was next to and believed that the window was blown out by a shotgun round fired by Lane. Long believed that Vance possibly fired back.

---

[4] Based on the examination of the evidence, it is likely that this shattering of the glass was the byproduct of Lane's self-inflicted shotgun wound.

Statement of Deputy Henry Shue

While Shue was in the briefing room, Vance notified him of a sex registrant in the lobby with an outstanding felony warrant. Shue, Vance, Inthavong, and Sergeant Long walked to the front lobby to arrest the suspect. Lane was standing by the exit door of the station. Lane ran toward the parking lot. Lane took off his cowboy hat and threw it at Inthavong as he ran. Lane ran toward a blue SUV and entered the vehicle through the rear passenger door. Shue heard one of the deputies yell, "Shoot! Shoot! Shoot!" Shue was positioned behind Long and Botten on the east side of the parking lot. Inthavong fired. Shue took cover behind a small concrete block wall on the sidewalk area in front of the station. He did not fire because Botten and Long were in his direct line of fire. Shue saw Vance firing at the SUV from behind a tree in front of the station as he requested assistance on his handheld radio.

Statement of Deputy Andrew Toone

Toone and other SEB personnel responded to a call of an "active shooter" at the Temple Station. They were informed that the suspect had armed himself and was barricaded in the backseat of a blue SUV in the parking lot. The deputies at the scene were unsure if the suspect was hit by their gunfire and informed SEB that the suspect remained lying in the backseat with a long gun and he was not moving.

SEB drove an armored rescue vehicle into the parking stall directly next to the passenger side of the suspect's vehicle. The back-passenger door window had been shattered and the deputies could clearly see Lane lying across the back seat, on his back, with one foot resting on the rear passenger door window sill. The deputies could not get a clear view of Lane's head because it was under clothing and what appeared to be a police tactical vest labeled "SWAT" on one side. Resting on Lane's torso was a shotgun with the barrel pointed at his chin. Lane remained motionless.

Toone threw a sound diversionary device on the hood of Lane's vehicle. Lane remained still. Behind a ballistic shield, Toone led the team toward the vehicle. At approximately ten feet away, Toone could see Lane's foot, mid-section and chest area and could clearly see the shotgun in Lane's hands, pointed at his chin. However, they could not determine from their vantage point whether Lane was shot or deceased.

Another deputy fired nonlethal rounds at Lane's abdomen, but Lane did not move. As the team moved closer, another deputy reached inside the vehicle and grabbed Lane's shotgun and placed it safely on the ground.[5] SEB medical personnel entered the vehicle and saw that Lane had a large hole under his chin in the same area that the shotgun barrel was pointed, and he had a large head wound. They declared Lane deceased.

Statement of [redacted]

[redacted] married Lane in 2011, and they divorced in 2015. Before the shooting, [redacted] saw a shotgun at Lane's house. Lane possessed bulletproof vests because of his previous job working as a security officer. Lane had a history of methamphetamine use. On the day of the shooting,

---

[5] Investigators also located a white bulletproof vest on the left passenger seat in the rear row.

Lane called [redacted] and told her that if she did not hear from him by 9:00 a.m., "something had gone wrong." Lane said that Deputy Vance had contacted him and told him to come to the station to retake his photograph. Lane was suspicious, and deduced that he was wanted by the police for something.

Statement of [redacted].

[redacted]. [redacted] He said Lane had a negative experience in prison and was adamant about not going back. Lane was also distrustful and fearful of law enforcement officers and he was stressed every time he had to go to the police station to register as a sex offender. Lane never attempted suicide in the past, but spoke about being suicidal while in prison.

Statement of [redacted]

[redacted] was at the Sheriff's station and saw the deputies approach Lane. He heard the deputies yell, "Get on the floor! Get on the floor! Let me see your hands!" and then he heard gunshots.

Statement of [redacted]

[redacted] was at the Sheriff's station and saw the deputies approach Lane and say to him, "You're under arrest." He then heard gunshots.

Statement of [redacted]

[redacted] was in the Temple Station's parking lot and saw the deputies pursuing a fleeing Lane. He heard the deputies yell, "Stop! Stop! Get on the ground! Get on the ground!" At the same time, [redacted] also believed that he heard a deputy say, "Tase him!" [redacted] then witnessed Lane run to a blue SUV and "jump" into the backseat. At this time, he heard additional commands directed at Lane from the deputies stating, "Let me see your hands! Let me see your hands!" [redacted] then evacuated the parking lot and began to hear gunshots. As he hid behind bushes toward the north wall of the station, [redacted] witnessed a deputy firing at Lane. The deputy took cover behind a vehicle located next to the SUV and reloaded his handgun.

Interview of [redacted]

[redacted] was in the lobby of the Sheriff's station and saw Lane run to a blue SUV and "dive" into the backseat. [redacted] believed that Lane was "going for a gun." He then heard and saw the deputies shooting.

Statement of [redacted]

[redacted] was [redacted] in the parking lot of the Sheriff's station and saw the deputies chase Lane. He saw Lane get into the SUV and thought his behavior was odd. Someone said, "Tase him! Tase him!" Someone also said, "Shoot him! Shoot him!" and then he heard gunshots.

Statement of [redacted]

[redacted] was working in the parking lot of the Sheriff's station and saw Lane running to a blue SUV. Lane then dove headfirst into the backseat. When one of the deputies approached, [redacted] heard a deputy yell, "Gun!" At this point, [redacted] heard and saw the deputies shooting at Lane.

Statement of [redacted]

[redacted] was working in the parking lot of the Sheriff's station and saw Lane running to a blue SUV. As Lane approached the vehicle, [redacted] heard someone say, "Tase him! Tase him! Tase him!" Lane was able to open the rear passenger door, but [redacted] was unable to see Lane enter the SUV. [redacted]. turned to find shelter and heard someone yell, "Shoot him! Shoot him! Shoot him!" followed by a volley of gunfire. He is unsure if the gunshots preceded or were simultaneous with the yelling.

Firearms Evidence

Lane was armed with a J. Stevens Arms pump action 12 gauge shotgun. When recovered it contained one unfired shotshell in the chamber and one fired shotshell partially extracted from the chamber. The safety was in the "fire" position. One expended shot cup was located in the armrest of Lane's vehicle.

Botten, Vance, and Inthavong were armed with 9mm semiautomatic pistols. There were 29 9mm expended cartridge casings located at the scene. Based on an examination of the deputies' firearms and the number of expended cartridge casings at the scene, Botten fired six times, Vance fired four times, and Inthavong fired 19 times.

Autopsy

Deputy Medical Examiner Ajay Panchal, M.D. performed a postmortem examination of Lane's remains and determined that Lane was either shot or grazed in six locations. He had a fatal shotgun wound to the head that entered under the chin and exited through the top of the head. There was a second fatal gunshot wound to the back of the right leg. Lane had sub-lethal gunshot wounds to the right leg, a graze wound to the right chest, a superficial gunshot laceration to the left leg, and a gunshot wound abrasion on the right foot.

Lane's cause of death was determined to be a shotgun wound to the head, after he had blood loss from gunshot wounds to the lower extremities.

A toxicology analysis was performed and showed that Lane had 12000 ng/ml of methamphetamine in his bloodstream at the time of his death, which is approximately 600 times the peak therapeutic range for that drug. This is also approximately twelve times the lethal dose of methamphetamine, in the average user.[6]

---

[6] A lethal dose of methamphetamine varies depending on characteristics of the drug and the user and cannot be determined with certainty. Each person has a different sensitivity to a specific amount of methamphetamine due to personal tolerance levels, means of ingestion, and other variables. In this way, toxic levels are different for each

LEGAL ANALYSIS

The Law

California law permits the use of deadly force in self-defense or in the defense of another if that person reasonably believes that he or others are in imminent danger of great bodily injury or death. Penal Code § 197; *People v. Randle* (2005) 35 Cal.4th 987, 994 (overruled on another ground in *People v. Chun* (2009) 45 Cal.4th 1172, 1201); *People v. Humphrey* (1996) 13 Cal.4th 1073, 1082; *see also, CALCRIM* 505. The test of whether the officer's actions were objectively reasonable is "highly deferential to the police officer's need to protect himself and others." *Munoz v. City of Union City* (2004) 120 Cal.App.4th 1077, 1102. In sum, the United States Supreme Court has long held that, "The 'reasonableness' of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than the 20/20 vision of hindsight...The calculus of reasonableness must embody allowance for the fact that the police are often forced to make split-second judgments - - in circumstances that are tense, uncertain, and rapidly evolving - - about the amount of force that is necessary in a particular situation." *Graham v. Connor* (1989) 490 U.S. 386, 396-397.

Analysis

Lane, who had the presence of methamphetamine in his bloodstream at the time of his death, and suspected that he was wanted by the police, armed himself with a shotgun, told his ex-wife that he was going to the police station and something could go "wrong," and drove to the Sheriff's station to re-register as a sex offender.

He arrived and backed his vehicle into a parking space in a "getaway" position near the entrance of the police station, and waited outside the lobby area after identifying himself to deputies, indicating by his behavior that he was ready to flee if challenged. Lane's possession of a loaded shotgun and bulletproof vest suggests that Lane was prepared to use deadly force against the deputies to effectuate his escape if they attempted to arrest him, and/or he was prepared to commit "suicide by cop" by provoking the deputies into shooting him if he was cornered.

When the deputies attempted to arrest Lane, he ran away, entered his vehicle, drew a loaded shotgun, raised it in the direction of the deputies, and appeared to be manipulating it. Based on those circumstances, the deputies reasonably believed that Lane was going to shoot them, and he presented a deadly threat. As such, the deputies were justified in shooting at Lane, in lawful self-defense and defense of others.

The evidence examined in this investigation shows that when his escape became impossible, Lane committed suicide by shooting himself in the head with a shotgun.

---

individual. Methamphetamine overdose may also be complicated by other drugs the user may have taken. Diseases that the person may have developed also play a role due to the current health condition of the body. Lane had approximately 12 µg/mL of methamphetamine in his system. 1.0 µg/mL is the average lethal dose of methamphetamine. Elizabeth Kiely, C. Jeff Lee & Laureen Marinetti, A Fatality from an Oral Ingestion of Methamphetamine, 33 J. Analytical Toxic. 557, 560 (2009). *See also*; Robert H. Williams, Cut-off and Toxicity Levels for Drugs-of-Abuse Testing, Clinical Laboratory Reference (2012).

CONCLUSION

Based on a review of the evidence in this case, the deputies acted reasonably and in lawful self-defense and defense of others by shooting Lane when he pointed a loaded shotgun at them. Therefore, we are closing our file and will take no further action in this matter.

ADMINISTRATIVE RIGHTS
Force/Shooting Investigation

I am Sergeant Paul Valle and this is SGT. ISRAEL RENTERIA of the Internal Affairs Bureau, which is commanded by Captain Josie S. Woolum.

You are about to be questioned as part of an official Los Angeles County Sheriff's Department investigation relating to your performance during the force/shooting incident that occurred on March 20, 2017, including your performance preceding and following the incident.

You are being afforded your rights pursuant to California Government Code Section 3300 et seq. (Peace Officer's Bill of Rights) because you could be subject to discipline after this incident is reviewed by the Executive Force Review Committee. The EFRC is responsible for determining whether or not your performance (including, but not limited to, your use of force and your tactics) complied with Department policy. The EFRC may find your performance within policy or may find your performance violated policy and determine discipline based on this force/shooting investigation, without requiring a subsequent interview from you.

Do you have a Policy and Ethics Chapter of the Manual of Policy and Procedures? Yes ☒ No ☐

Are you familiar with its content? Yes ☒ No ☐

You are specifically reminded that Policy and Ethics Sections 3-01/040.70 and 3-01/040.75 require that you make full, complete, and truthful statements. A refusal to make full, complete, and truthful statements may result in additional discipline, up to and including discharge.

Because you are being required to submit to this interview, neither your answers nor any information gained from your statements can be used against you in a criminal proceeding. However, your statements may be used by Department managers to determine whether or not you violated Department policy.

You will be asked questions specifically related to the performance of your official duties and/or your conduct related to your employment with the Department.

You have the right to have a representative of your choice, who is not involved in the incident, present with you during your interview. You may tape record this interview. You are ordered not to discuss the investigation or the content of your interview with anyone other than your designated representative.

I have read the above admonishment and I understand its contents.
